A Parent's Guide to Title I

Rochester, Vermont Dodge County Schools

What is Title I?

Title I, Part A is a federally funded program under the Every Student Succeeds Act (ESSA). The purpose of Title I under ESSA is to ensure that **all** children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.

All Dodge County schools are Title I schools.

Dodge Primary School

Dodge Elementary School

Dodge County Middle School

Dodge County High School

What supports are provided through Title I?

The Title I Program offers a variety of supports which may include, but are not limited to, additional teachers, support staff, instructional materials and supplies, technology to support student learning, tutoring, professional development for school staff and capacity building events for families.

What role does family engagement play in Title I?

Family engagement is an integral part of the ESSA law. Districts and schools receiving Title I funding must:

- Ensure that high-quality academic assessments, accountability systems, teacher preparation and training, curriculum, and instructional materials are aligned with challenging State academic standards so that students, teachers, parents and administrators can measure progress against common expectations for student academic achievement.
- Afford parents substantial and meaningful opportunities to participate in the education of their children.

Families,

You can have a tremendous influence on your child's success in school. By partnering with the school and participating in the Title I program, you will:

- show your child that you support and value his/her education.
- be able to closely monitor your student's progress.
- build stronger relationships between home and school.
- provide valuable input about school-wide programs.

Research shows that students whose families are engaged perform better academically, socially and behaviorally. Be sure to become involved in your child's school by:

- communicating regularly with your child's teacher.
- attending academic-based family events and parent-teacher conferences.
- volunteering at the school.
- joining the School Council.
- providing input concerning the Title I program at the school.

THE CONNECTION

What is it?

The Connection is a comprehensive document joining our School-Family Engagement Plan and Compact together with the purpose of strengthening the bond between school and home. **The Engagement Plan** describes how our school will provide opportunities to improve family engagement that will support student learning at school and at home. All students and their families are invited and encouraged to fully participate in the opportunities described in this plan. The school will provide information and as many opportunities as possible for the participation of all family members. **The Compact** explains what teachers, parents and students each will do in an effort to work together to make sure that our students reach grade level standards. The Compact is discussed with families during parent-teacher conferences throughout the school year.

How is it revised?

The Connection is jointly developed and revised by our school's stakeholders. All families are invited to attend our annual Shared Decision Making Meeting (SDM) held each spring. Families are asked to review and give feedback on the Engagement Plan, Compact, and budget, including the 1% set aside. All feedback forms from the SDM Meetings are collected, reviewed and used to revise this document and to improve program planning for the next school year. Families who are not able to attend the SDM Meeting have the opportunity to provide input by completing an online feedback form and completing the Title I Parent Satisfaction Survey that seeks suggestions regarding the plan, compact and budget.

Who is it for?

The Connection is for all students attending a Title I School and their families. We encourage and invite families to fully participate in the opportunities described in this document. Our school will provide full opportunity for the participation of parents and family members with limited English, with disabilities, of migratory children and caretakers of students served in Neglected and Delinquent Centers.

Where is it available?

The Connection is included in our Title I Handbook that is provided to all parents and families at the beginning of the year or whenever a new student enrolls. The Connection is also available on our school website and in our Parent Resource Center. Families can request a copy at any time during the school year.

What is Title I

Dodge County High School is identified as a Title I school as a part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement plan and compact.

Our Pledge to our Parents and Families

Dodge County High School will take the following measures to promote and support parents as equal partners in their child's education. In order to reach our goal of the highest quality of student achievement, Dodge High School pledges to support our students and their families as the foundation of the school. We will:

- *Ensure that all information related to school and parent programs, meetings and other activities is published in both English and Spanish and posted on the website or on social media.
- *Provide training for staff on the value and contribution of parents, on ways to improve communication, on ideas to build strong partnerships with families, on providing information in a friendly format and on responding to parent requests four times during the school year.
- *Partner with early learning centers to provide resources to help prepare families and their students for successful school transitioning.
- *Share information/materials related to school and parent engagement activities, meetings and workshops in English and Spanish.
- *Communicate with all families and the community on a regular basis regarding school wide events through school messenger, social media, school website, newsletters and flyers.
- *Work with parents to develop relevant trainings and helpful presentations to educate our staff on the importance of parent and family engagement and how to support student learning.
- *Provide information for parents to better understand Georgia Standards of Excellence and assessments for all grade levels.
- *Collaborate with stakeholders and community/business leaders to increase awareness of family and community engagement programs.
- *Connect families to classes or support groups to help further enhance our parent's various educational levels.
- *Collect feedback from parents and family members after academic events in order to respond to parents' request for additional support for engagement activities.
