### **SCHOOL HOURS - REGULATIONS**

The building is open at 8:00 A.M. for students. Supervision is available at this time. **Once students arrive at school, they are not permitted to leave school premises unless they have received permission from the office. School begins at 8:13 A.M.** For dismissal, at 3:10 P.M., students should report directly to their busses, car rider line, or other assigned areas.

## ABSENCES

Contact between parents and school officials must be made when students are absent from, or tardy to, school. Parents should call the school on the day of the absence and explain why their child is not in school by 9:00 a.m. Please call the attendance line listed to report absences. This number has voicemail messaging to report absences 24 hours a day. If contact is not made between parent and attendance secretary on the day of the absence, we will send a school messenger message asking you to verify the absence. When a student is absent from school, all assignments are to be made up. Generally, one day is given to complete the work for each day of absence. If the child will be absent for a period of three or more days, requests for assignments can be made by calling the office by 9:00 a.m. For absences fewer than three days, the student is responsible for getting the make-up assignments from the teachers upon returning to school. Absences will be excused with doctor's notes or any official documentation that may apply. Paperwork may be turned into the attendance office. Our goal as a school is for students to miss no more than two days per quarter. This is the Missouri Standard for A+ scholarships.

## EXCUSES DURING THE SCHOOL DAY

Though such a practice is not encouraged, students occasionally may find it necessary to be excused during school. The process is:

1. A note from the parent(s)/guardians(s) should explain why and when the student must be excused.
2. The student should bring the note at the office when he/she arrives at school in the morning. A pass will be issued to the student so class will not be interrupted.
3. For the safety of our students, **a parent/guardian with photo ID must sign the student out in the office before he/she can leave.** Students are never to leave school without checking out through the office.
4. Upon arriving to school, guests will press the "call button" next to the door to be greeted and granted access. **A photo ID is required to check student(s) out of the building. Students will not be allowed to leave unless the person checking the student out is on the emergency contact list.**

## TARDIES

Tardies to school negatively affect a student's overall attendance percentage and progress. Appointments with doctors, orthodontists, etc. will be excused. All other tardies are considered unexcused. If a student arrives at school after the school day begins, he/she must report to the office and receive a pass before attending any classes. **A parent must sign the student in when they are tardy to school in the morning.** Tardies to class during the school day will be handled by the teachers concerned. Frequent tardiness may result in disciplinary action.

## **VISITORS**

All visitors must enter the building through the office. Once you enter the front door, please press the “call button” and wait to be admitted. Visitors must provide acceptable ID and will be signed in through Raptor. Visitors are not allowed to leave the office area without a Raptor visitor sticker. We encourage families to visit our school for lunch, and school activities. Family involvement is key to student success. Students from other locations, including former students, will not be allowed to visit during instructional time. If a parent or guardian would like to view a lesson or observe their student, they must contact the school to receive a form that must be filled out and approved by the principal with at least 24 hours’ notice.

## **HEALTH ROOM**

The health room is located within the office complex. A registered nurse is on duty daily. Students who become ill should obtain permission from their teachers to go to the health room. If a student is unable to return to class, parents will be notified to come after the student. If for some reason the nurse is not on duty, students should check with one of the secretaries in the office before entering the health room. Student medication must be left with and dispensed by the nurse.

## **MEDICATION POLICY**

When possible, we encourage medication be administered at home using a schedule that will not require doses during school hours. However, a child’s health care provider may deem it necessary for medication to be taken during school hours. If so, all prescribed medication must be accompanied by written permission from a licensed physician. If a parent needs to drop off medication, they must enter the building through the office. Once you enter the front door, please press the “call button” and wait to be admitted.

## **MEDICATION GUIDELINES FOR ALL NKC SCHOOLS**

1. Written orders from a licensed physician and written permission from the parent/guardian must be provided for any prescription medication to be given at school. The information will include name of the student, of the medication, dosage, route of administration, and time medication is to be taken. The physician may use his/her office letterhead or a school district “Authorization for medication” form may be obtained from the school nurse.
2. All prescription medication must have the label attached by the pharmacist/physician and will include on the container: the child’s name, the name of the medication and the dosage, and the physician’s name.
3. All non-prescription over-the-counter medication must be sent in the original container marked with the student’s name and accompanied by a parent’s authorization to

administer. Only the instructions on the container will be followed unless the physician provides alternative instructions. If a question would arise, the school nurse will have the right to refuse administration of the medication until further clarification is received and documented from the physician.

4. Any change in the time or dosage of medication must be accompanied by a written request from the physician.
5. It is the student's responsibility to come to the health room for assistance in taking medication.
6. Medication should not be sent with students on the bus. Parents should deliver medication to the school nurse or office clerk. Medication should be picked up when the illness is concluded or at the end of the school year.

## **EMERGENCIES**

Five types of emergency drills are held at Eastgate – lockdown, shelter in place, fire, earthquake, and tornado drills. Teachers will give complete instructions about these drills and the method of notification used by the office. Detailed instructions about each type of drill are posted in each classroom.

## **GRADING**

### **Goals**

1. We ensure grades reflect mastery of learning objectives.
2. We involve students in the learning process.
3. We provide consistent and specific feedback.
4. We acknowledge that students have different learning needs.

### **Grades**

- Between two and four classwork grades per week/per class will be graded.
- Students will have at least 1 Common Formative Assessment (CFA) every two weeks.
- Every assignment entered in the gradebook will be tied to a standard.
- We are using a 4-point proficiency based grading scale, which provides students and parents a better understanding on the level of mastery their student is at with a specific standard.
- Grades will be entered into PowerSchool weekly.

## **Retakes/Missing Grades**

### **Assessment/Test Retakes**

- Students can retake assessments as many times as they need to show they've learned the content.

- Students have 3 weeks from the date of the assessment to retake and raise score.

#### **Encore Performances**

- Students will be allowed to perform during MTSS or in class to make up performances.
- Art and PLTW will follow these guidelines for projects and retakes.

#### **Classwork Make-up/Redo**

- Students can turn in work up to 1 week late for full credit.
- If a student is out with a **verified** absence, they will have the same amount of additional days to turn work in (Ex: if a student is sick for a week- they have an additional one week to turn in their assignment)
- After the first week- students can get half credit for an additional two weeks (three weeks total after the due date).

Your student should let an adult know if they need help opening their locker.

- Students should keep valuables and money with them. It is best if students do not bring valuables to school with them. Keep them at home in a safe place. Do not keep these items in your locker. **The school will not be responsible for these items if they are lost or stolen.**
- Students should always close their locker door and make sure they lock it.
- Students should keep their locker area neat and clean.
- Students should keep their locker combination secret.

## BUSES

All buses load and unload in front of the building before and after school. Routes, times, and bus assignments are available in the Eastgate office. There is no charge for students who qualify to ride. Proper behavior on buses is expected from all students. Students are to always follow their bus driver's instructions. Specific student responsibilities for appropriate bus behavior are posted on each bus and reviewed with each student. Not following bus rules and expectations may result in disciplinary action. Continued disregard for bus rules and expectations may result in the loss of bus privileges.

**1<sup>st</sup> Bus referral:** Verbal warning

**2<sup>nd</sup> Bus referral:** Parent contact lunch detention.

**3<sup>rd</sup> Bus referral:** Parent contact and 3-day bus suspension

**4<sup>th</sup> Bus referral:** Parent contact and 5-day bus suspension

**5<sup>th</sup> Bus referral:** Parent contact and recommendation for alternative transportation

\*Please note that all bus referrals for safety/fighting/physical aggression will result in parent contact and immediate suspension.

## **ASA**

After-School Activities are available Monday-Wednesday. Forms can be obtained online or in the office. Failure to follow ASA rules and expectations may result in the loss of ASA privileges. No refund will be issued in the event that ASA privileges are revoked.

## **CAFETERIA**

Breakfast and lunch are available to all students. Students will go through the breakfast line upon arrival and take their breakfast to homeroom. Breakfast is expected to be eaten by the end of homeroom. Lunch times will depend on your student's schedule. All students are eligible for free breakfast and lunch. Free/reduced lunch forms may be found on the District web site or the office.

**Parents may drop off food for students but outside food may not be ordered and delivered to school.**

Our cafeteria uses a computerized cashiering system. Money can be added to a student's meal account online via a credit card on My Payments Plus or by putting it in an envelope and turning it into the cafeteria. The student's meal account is then debited as the student makes food purchases. **ALL STUDENTS WHO PURCHASE ANYTHING IN THE CAFETERIA WILL NEED TO MEMORIZE THEIR 6 DIGIT STUDENT ID NUMBER.**

If you have any questions about the cafeteria, your child's account, or want to know what they have been eating contact Ms. Long at 321-5274.

All food purchased in the cafeteria is to be eaten in the cafeteria. Students are not to buy chips, cookies, etc. to eat later in the day. If a student runs out of time, they may hand their unopened item to a staff member to be kept until the end of the day. In addition, students are not allowed to share or buy food with other students. Due to safety concerns and student allergies, this is against school policy.

## **LIBRARY**

Please check the library resource center link on the Eastgate web page or Eastgate Reads on twitter for suggested books and information. Two books may be checked out for a period of two weeks. Students may check out more books if needed. Students must assume financial responsibility for books that are lost or damaged. Information will be given throughout the year about reading activities and challenges.

## **COUNSELING AND GUIDANCE**

The purpose of counseling and guidance at Eastgate 6<sup>th</sup> Grade Center is to help students develop interpersonal relationships, make informed decisions, and develop the ability to

explore and plan for careers. Terms to describe school counseling are preventive, situational, supportive, and temporary crisis. School counselors are not involved in long-term therapeutic counseling of the type one would seek in private counseling. The counselors are available for individual sessions with students who wish to make appointments. Teachers, parents, the nurse, and administrators may also make student referrals. The counselors lead small groups in areas like stress management, anger control, bereavement, and friends. The counselors sometime visit classrooms and stress personal social skills in areas such as educational achievement, transitioning, social development, and careers. The counselors also coordinate enrollment and standardized testing programs.

## **RACIAL/ETHNIC HARASSMENT POLICY**

The North Kansas City School District is committed to providing a school environment that is free from all forms of harassment. In keeping with this commitment, the district maintains a strict policy prohibiting any type of racial/ethnic harassment by any student, staff member, agent of the district, or vendor. Harassment includes verbal abuse, physical threats, and visual displays. Racial/ethnic harassment will not be tolerated. Violation of this policy will result in disciplinary action. A parent conference with the school principal is mandatory in any substantiated racial/ethnic incident. Any individual who reports racial/ethnic harassment will not be retaliated against. Complaints will be handled as quickly as possible. Forms for reporting incidents of harassment are available at the school or at the district office.

## **SEXUAL HARASSMENT POLICY**

The North Kansas City School District strives to create an optimal learning environment for its students. The district does not condone and will not tolerate the sexual harassment of students or staff, or a school or classroom environment, which promotes or encourages sexual harassment. Sexual harassment is defined as the creation of a sexually hostile or offensive school or classroom environment occasioned by or due to sexual advances or verbal or physical conduct of a sexual nature. This may include sexual touching, offensive jokes, insults, innuendoes, gestures or disparaging remarks whether written or verbal. A student who feels that he or she has experienced or observed sexual harassment should report such incidences to a classroom teacher, student counselor, school principal or Associate Superintendent for Student and Family Services. The student is assured that the matter will be investigated, and appropriate action taken. Violation of this policy will result in disciplinary action.

## **BULLYING and CYBERBULLYING POLICY**

According to North Kansas City Board Policy JCF, Bullying is defined as intimidation unwanted aggressive behavior, or harassment that is **repetitive or is substantially likely to be repeated** and causes a reasonable student to fear for his or her physical safety or property; that substantially interferes with the educational performance, opportunities or benefits of any student without exception; or that substantially disrupts the orderly operation of the school. Bullying includes, but is not limited to: physical actions, including violence, gestures, theft, or

damaging property; oral or written taunts, including name-calling, put downs, extortion, or threats; threats of retaliation for reporting such acts; sending or posting harmful or cruel text or images using the Internet or other digital communication devices; sending or posting materials that threaten or raise concerns about violence against others, suicide or self-harm. **1st Offense:** Principal/Student conference, parent/guardian conference, detention, in-school suspension, or 1-180 days out of school suspension. **Subsequent Offense:** Principal/Student conference, parent/guardian conference, 1-180 days out of school suspension, or expulsion.

## **SELF DEFENSE VS. RETALIATION**

In most cases where students have a disagreement that causes an altercation, students are aware of a plan or have arranged a time to meet with each other to escalate the conflict. If, through investigation, it is found that students were aware or willingly met at a time and location to escalate the conflict without reporting this information to a staff member, disciplinary consequences will be more severe.

Any student who participates in a physical altercation will receive consequences, whether or not they were the first to push, hit, kick, etc.

In addition, the definition of self-defense or defense is only while a threat is ongoing. Self-defense is defined as happening during a conflict, if there is no adult present and there is no way to escape a situation (Ex: a student is backed into a corner). After a threat has ended, the use of force is no longer appropriate. This would be considered an act of retaliation, as opposed to self-defense. NKC Board Policy JFCF outlines discipline and definitions of retaliation.

## **DISCIPLINE GUIDELINES**

A positive school atmosphere will result in a more effective and meaningful learning environment. We are committed to providing opportunities for students to learn concepts, practice skills, practice good citizenship, and experience academic success. Academic success and good discipline go hand in hand. Effective discipline in middle school is a result of a school-wide plan developed from the norms of behavior perceived to be appropriate for the students of Eastgate 6<sup>th</sup> Grade Center. We want Eastgate to continue to be a safe and secure place for each child. We are also constantly seeking ways to reward positive behavior among our students and help students feel good about themselves. With continued cooperation and communication among parents, teachers, and students, we can continue the high standards for academic success at Eastgate 6<sup>th</sup> Grade Center. All discipline cases are handled on an individual basis and disposition of all cases are subject to the judgment of the principals involved. Possible consequences include conference with student and/or parent, parent contact, detentions, in school suspension (ISS), out of school suspension (OSS), possible expulsion, notification of law enforcement officials, and other consequences as deemed appropriate by the administration. Any student's actions that violate municipal, state or federal laws while on school property or at a school function will be subject to school disciplinary action. In addition, school officials may

report the student's actions to the appropriate law enforcement officials, which may result in the student's arrest. The School Resource Officer provides a positive law enforcement presence in the school; provides a variety of educational opportunities to the students such as substance abuse and violence prevention; and works with students and teachers in such areas as understanding the law and conflict mediation. The School Resource Officer will be consulted when any student commits a law violation on campus.

## **Expectations for Student I-Pad Usage**

Students are bound to the terms and conditions of the I-Pad agreement that is signed at registration and/or enrollment. Students are expected to follow classroom, building, and district guidelines for appropriate usage of technology. Violations of those policies can lead to restriction of technology privileges and/or further disciplinary action.

## **TOBACCO-FREE ENVIRONMENT**

## **Booster Club**

Parents are encouraged to join the Booster Club. Parents can join at registration or throughout the year.

## **Electronic Devices & Cell Phones Policy**

We recognize that parents want their students to have a cell phone for safety reasons. However, cell phones, smart watches, and other electronic devices do present possible disruptions to the educational process. Therefore, appropriate steps will be taken to prevent disruptions. In general, the following guidelines will be used:

- **All electronic devices will be the child's and parent/guardian's responsibility at all times.**
- **The school is not responsible for lost or stolen electronic devices.**
- **All electronic devices will be turned off and put away during the instructional school day.**
- **If guidelines are violated, the privilege of electronic devices may be restricted.**
- **Parents should not call their students during the school day. In the event of an emergency, parents may text students. Students will be allowed to check their phones for emergency texts while at their lockers.**

If an electronic device causes a disruption during the school day, the device will be confiscated and retained in the office. Repeated violations of the policy will result in additional disciplinary action.

### **Eastgate 6<sup>th</sup> Grade Center Cell Phone and Wireless Device Practice**

#### **Purpose**

**Cell Phones** - Student cell phone use at school has been identified as a tremendous obstacle to meeting learning goals and maintaining a safe environment. Therefore, student cell phone use is prohibited on campus during normal school hours (from arrival at school until in car/bus after dismissal).

**Wireless Ear Buds/Electronics/Headphones (WEEH)** – Wireless earbuds/electronics (such as smart watches)/headphones make it very easy for students to disengage during class instruction and make it difficult for students to hear directions, etc. in common spaces such as hallways and cafeteria. This becomes a safety concern. WEEH are also easy to lose and cause a disruption when that happens. Therefore, student wireless ear bud/electronic/headphone use will be prohibited on campus during normal school hours.

\*Students may use **wired** earbuds/headphones in classrooms with teacher permission

#### **Boundary**

- During normal school hours (from arrival at school until in car/bus after dismissal), student cell phone and WEEH use is prohibited on any part of the Eastgate campus (includes indoors/outdoors).
  - Student cell phones and WEEH may not be seen/heard/accessed for any reason.
- If students bring cell phones and/or WEEH to school, they must be concealed and secured in their personal bag/backpack.
- After school Activities (ASA) will also follow these guidelines.

#### **Consequences for Violations**

Progressive consequences will accumulate per student, per semester.

## **DISTRICT PROFILE**

Known for innovation and excellence, North Kansas City Schools serves over 21,500 students in suburban Clay County, Missouri. Established in 1913, the school district is rich in tradition with a heritage of active engagement with the 13 communities it serves. The district has 36 schools in Kansas City's "Northland" stretching from Briarcliff to the Staley neighborhoods.

As a state and nationally accredited district, recognized as a Champion for All Students, North Kansas City Schools prepares students to be successful in a rapidly changing, diverse world. Students are engaged through challenging, thought-provoking educational experiences to master skills and knowledge to maximize their unique potential.

All four high schools are designated "A+ Schools," allowing students who meet academic, attendance and citizenship criteria to receive two years of college tuition reimbursement from the State of Missouri. Each high school offers Distinguished Achievement Programs, which include the AP Capstone Diploma, Early College Academies (including MCC - Maple Woods Community College, Early College Academy, MCC – Advanced Technical Skills Institute Early College Academy, and the University of Missouri-Kansas City Early College Academy), and AP courses. Students also can elect to participate in highly specialized studies through International Baccalaureate or the International Baccalaureate Career Certificate program, Project Lead the Way, Northland Career Center, Northland Center for Advanced Professional Studies, as well as an Automotive Technology Program. In addition, all high school students in the district benefit from the College & Career Pathways program that takes each individual and moves them from learning about work to learning for work.

From birth, children in North Kansas City Schools can begin their path as learners through Parents As Teachers and district sponsored preschool programs. Students benefit from full-day kindergarten, gifted education, 5th grade strings, middle school extended-day programs, a summer enrichment program, and elementary before-and after-school childcare.

Although North Kansas City Schools is the second-largest public education system in Missouri, it is known for its neighborhood schools and sense of community. Teachers, support staff and educational leaders partner with parents and communities to ensure success for learners of all ages and abilities.

Active advisory committees and a thriving Education Foundation engage the greater community to inspire future successes. Through these ongoing partnerships, North Kansas City Schools ensures every student will have a solid academic foundation and will explore lifelong learning opportunities that lead to success beyond their formal education.

# Student and Parent Rights

## *Diversity Statement*

North Kansas City Schools fosters respect and understanding among all cultures and individuals who learn and work in our school community. We are committed to drawing strength from our differences and building on our similarities to:

- Create a positive environment.
- Empower all people to reach their full potential.
- Remove barriers of bigotry and prejudice that infringe upon individual freedom, respect, and progress.
- Attract talent that reflects our community.

## *Anti- Harassment/Discrimination/Retaliation Policy*

North Kansas City Schools is committed to providing a school environment that is free from all forms of harassment. In keeping with this commitment, the district maintains a strict policy prohibiting any type of harassment, discrimination or retaliation based on a protected classification by any student, staff member, agent of the district, or vendor. Harassment can include, but is not limited to, verbal abuse, physical threats, and visual displays. Violation of this policy will result in disciplinary action. A parent conference with the school principal is mandatory in any substantiated incident. Any individual who reports prohibited harassment, discrimination or retaliation will not be retaliated against. Complaints will be handled as quickly as possible. Forms for reporting incidents are available at the school or at the district office.

The Reporting Form may be found by following the link: Policy AC

## *Sexual Harassment Policy*

North Kansas City Schools strives to create an optimal learning environment for its students. The district does not condone and will not tolerate the sexual harassment of students or staff, or a school or classroom environment which promotes or encourages sexual harassment. Sexual harassment is defined as the creation of a sexually hostile or offensive school or classroom environment occasioned by or due to the sexual advances or verbal or physical conduct of a sexual nature. This may include sexual touching, offensive jokes, insults, innuendos, gestures, or disparaging remarks whether written or verbal. A student who feels that he or she has experienced or observed sexual harassment should report such incidences to a classroom teacher, student counselor, school principal or district compliance officer. The student is assured that the matter will be investigated, and appropriate action taken.

The Harassment Form may be found by following the link: Policy AC

## *Public Concerns and Complaints*

Parents need to discuss concerns with the teacher and/or principal first. If parents feel that these efforts have not resolved the issue, the District has a formal process for a parent to request a review of services. The Review of Services Form may be found by following the link:

### ***In-District Transfer Procedures***

Students are expected to attend the school that serves the area of their residence. An exception may be granted, on a space-available basis, for reasons which meet the Board of Education policy. Parents need to complete a Transfer Request form annually. The form is electronic and can be found on the district website [Forms - North Kansas City School District \(nkcschools.org\)](https://www.nkcscschools.org/forms) and is reviewed by the Executive Director of Student of Student Services. As a general rule, parents must provide transportation for their children that attend a school approved by a transfer request.

### ***Transfer Procedures***

If it becomes necessary for your child to transfer, please notify the school office as soon as possible. If you are moving within the North Kansas City School District, your child's records will be sent to the receiving school automatically. If you are moving outside the District, a copy of the records will be sent to the receiving school upon its request.

### ***Parents' Rights to Records***

Parents or legal guardians of students in the North Kansas City Schools may, upon written request, examine their child's permanent record. Arrangements should be made with the principal.

### ***Family Educational Rights and Privacy Act (FERPA)***

The Family Educational Rights and Privacy Act (FERPA) is a Federal law designed to protect the privacy of a student's education records. The law applies to all schools, which receive funds under an applicable program of the U.S. Department of Education. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student, or former student, who has reached the age of 18 or is attending any school beyond the high school level. Students and former students to whom the rights have transferred are called eligible students.

- Parents or eligible students have the right to inspect and review all of the student's education records maintained by the school. Schools are not required to provide copies of materials in education records unless, for reasons such as great distance, it is impossible for parents or eligible students to inspect the records. Schools may charge a fee for copies.
- Parents and eligible students have the right to request that a school correct records believed to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record commenting on the contested information in the record.
- Generally, schools must have written permission from the parent or eligible student before releasing any information from a student's record. However, the law allows schools to disclose records, without consent, to the following parties:
  - School employees who have a need to know;
  - Other schools to which a student is transferring;
  - Certain government officials in order to carry out lawful functions;
  - Appropriate parties in connection with financial aid to a student;
  - Organizations conducting certain studies for the school;
  - Accrediting organizations;
  - Individuals who have obtained court orders or subpoenas;
  - Persons who need to know in cases of health and safety emergencies; and State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may also disclose, without consent, "directory" type information such as a student's name, date of birth, parents' names, grade level, honors and awards and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them.

Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook or newspaper article) is left to the discretion of each school.

The FERPA Form may be found by following the link: [FERPA Release Form](#)

### *Visitor Policy*

All visitors are required to report to the Main Office upon arrival at school and check-in using our Raptor school check-in system. This will require the visitor to provide a state issued identification, driver's license, or other acceptable official identification with a picture. Parents are invited to visit the school regularly and to be involved in all school activities. In order to ensure student safety and to preserve the integrity of the instructional day, visitors should not proceed beyond the office during school hours without authorization and without being checked in through the Raptor System. Student visitors from other locations will not be allowed to visit during instructional time or at functions after school. If, in the judgment of school administration, the visit is inappropriate, the visitor(s) will be asked to leave. We expect all visitors to act in a courteous and respectful manner.

### *Smoking and Vaping Policy*

Smoking and vaping are not permitted on school district property or at any school-sponsored event.

# Inclement Weather and School Cancellations

## *School Cancellation Policy*

Our school closing policy has one aim — to ensure the safety of your child. School may start two hours late; students may be released early; or classes may be canceled entirely due to inclement weather. Please be familiar with the following information sources in the event of school cancellations, early release or late start.

## *Communication Channels:*

North Kansas City Schools provides several ways for you to get the latest information on district school closings, including early release or a two-hour delayed start on days when weather looks hazardous:

1. **District Website:** [www.nkcschools.org](http://www.nkcschools.org) provides the first notification of school closings and other cancellations within minutes of a decision.
2. **School Messenger:** Phone, email and optional text messages are sent to school families when classes are canceled, delayed or students are released early. To opt-in, text “YES” to 67587.
3. **Social Media:** We will post information at [facebook.com/NKCSchools](https://facebook.com/NKCSchools) and [twitter.com/NKCSchools](https://twitter.com/NKCSchools).
4. **Radio & TV:** Local stations share announcements on-air and on their websites.

## *Two-Hour Delayed Start Option:*

NKC Schools has another option for inclement weather days to reduce the need for makeup days. The two-hour delayed start will be used for days when daylight and additional time to treat roads mean safe passage is possible for students.

Essentially, the school day will begin two hours later. On a two-hour delayed start day, all buses will pick up students two hours later than the regular pickup times, but the drop-off times will NOT change. All schools will end their day at the regular end time with one exception. On Thursdays, high schools, middle schools, and elementary schools observe an early release schedule. If the district activates the two-hour delayed start, the early release would be canceled.

Alternate stops for buses will be in effect on two-hour delayed start days. Transportation Services communicates directly with all families affected by alternate stops.

## *Two-Hour Delayed Start:*

- When the district follows a two-hour delayed start, **Adventure Club** will be open at ALL SITES from 7:15 a.m. to 6 p.m.

## *Early Release or Cancellation:*

- There will be **no evening activities** including Community Education classes. **Exceptions will be posted** on the district website at: [www.nkcschools.org](http://www.nkcschools.org)
- **District Athletes** should refer to the Inclement Weather Guidelines for Athletics, posted on the district website at: [www.nkcschools.org/winter-weather](http://www.nkcschools.org/winter-weather)
- **Adventure Club** will operate on snow days, but at their **combined snow day sites**. Hours of operation will be 7:15 a.m. to 6 p.m.

## *If school is OPEN on a wintry day:*

- Dress your child to protect against wind and cold.
- Buses may be a few minutes late. Please wait as we try to run every route.
- **Alternate bus stops** may be in effect due to road conditions. Bus riders on alternate routes are notified directly by Transportation Services via School Messenger. To see the current list of alternate bus stops, visit the district website at: [www.nkcschools.org](http://www.nkcschools.org)

**We respect your decision to keep your child home** when the weather is questionable.

## Student Accident Insurance

### *Accident Insurance*

The school district has purchased a group accident insurance program covering all students, grades K-12. Students are covered by the accident policy while they are participating in school schedules; school supervised and school funded activities, during the regular school term. Students also are covered while they are traveling as a sponsored group in a school assigned car, bus or van operated by a licensed driver over the age of 21 to and from the school and to a covered event site. Individual travel is not covered by the policy. If students have other insurance coverage, a claim must be filed with that insurance source first. The district policy is designed to consider payment of eligible expenses not covered by other insurance sources. Questions regarding this policy should be addressed to L.E. Smith & Associates, Inc., PO Box 411216, St. Louis, MO 63141, or toll free 1-800325-1350.

## Student Health

### *Requirements for Admission to School*

Students must reside in the district, meet the age requirement, and have proper immunizations to enroll in school. Students entering kindergarten must be five by August 1, and first graders must be six by August 1 of the year they are entering the respective grade. A birth certificate from the state where the child was born is requested for proof of age.

The state requires the following immunizations:

Immunization	State Requirement
DTaP/DTP/DT/Td	4 doses, with the last one on or after the fourth birthday
Polio	3 doses, with the last one on or after the fourth birthday
Measles, Mumps, Rubella (MMR)	2 doses, one on or after the first birthday, second dose at least 4 weeks from first dose.
Hepatitis B	3 doses, given at ACIP recommended intervals
Varicella	2 doses, on or after the first birthday or verification signed by an MD or DO that the child has had the disease
Tdap	1 dose required before entering 8 <sup>th</sup> grade
MCV	1 dose required before entering 8 <sup>th</sup> grade 12 <sup>th</sup> grade: Two doses of MCV are required unless the first dose was administered to a student who was 16 years of age or older, in which case only one dose is required.

Per state law, students are not permitted to enroll or attend until they are in compliance with immunizations, properly exempted, or current with an “in progress” schedule.

### *Student Health Examinations*

It is recommended that students receive a thorough medical and dental examination before they enter school. Subsequent examinations should be received as often as indicated by the physician and/or dentist.

## ***General Health Guidelines***

Attendance is very important and every effort needs to be made to have your child in school each day. We understand that sometimes an illness will occur that will cause your child to be absent. Please follow the guidelines below when determining whether to keep your child at home.

1. Keep all children home for a full 24 hours after symptoms of illness have subsided. Children must be symptom free (no fever, no diarrhea, no vomiting) for at least 24 hours without the use of fever-reducing medications, or anti-diarrheal medications before returning to school.
2. If your child has a temperature of 100.4 degrees or above, vomits, or has diarrhea during the evening or at night, please do not send him/her to school. Even if the child says that he/she feels better, it has been our experience that the symptoms usually return and the child needs to go home.

## ***School Nurse and Health Room***

We are making a special effort to help students establish good health habits and stay healthy. The success of our efforts, however, depends on parental follow-through at home. Students should not come to school when they are ill or when they have an elevated temperature or a suspected contagious condition. This is for their protection as well as for others in the classroom. A registered nurse, a licensed practical nurse, or a health room clerk are on duty daily in the health room.

The nurse duties include:

- ☐ Providing first aid and assistance in case of an injury.
- ☐ Providing nurse's assessments for students who experience symptoms of illness.
- ☐ Conducting vision, and scoliosis screenings.
- ☐ Formulating individual health plans for students with special medical needs.
- ☐ Keeping student medical records and verifying compliance with state immunization requirements.
- ☐ Supervising the taking of medication as authorized by a parent or guardian under the provisions stated below.

In the absence of the nurse the health room clerk may provide first aid, assistance in case of an emergency and supervise the taking of oral medication as authorized by a parent or guardian.

## ***School Health Records***

Health records are an important part of your child's permanent school records. Informing the school when your child has had a serious illness, accident, operation, or contagious disease can help in meeting any special physical or emotional need after your child returns to school.

## ***Medication Guidelines***

When possible, we encourage medication be administered at home using a schedule that will not require doses during school hours. However, a child's health care provider may deem it necessary for medication to be taken during the school hours.

All prescribed medication must be accompanied by written permission from the parent to follow the physician or nurse practitioner's orders.

All prescription medication must be in the original container with the prescription label for that student, and the label contains the required details for administration direction.

Expired medications cannot be accepted.

The Medication Policy may be found here: [ADMINISTRATION OF MEDICATIONS TO STUDENTS](#)

Medication should never be sent with students on the bus. Parents should give medication to the nurse or office clerk in the health room, and then pick up any remaining medication when the illness is concluded.

Any over-the-counter/non-prescribed medication must be brought to school in the original container labeled with the child's name and accompanied by written permission from the parent to give the medication. Only the instructions on the container will be followed unless the physician or nurse practitioner provides alternative written orders. If a question arises, the school nurse will have the right to refuse administration of the medication until further clarification is received and documented from the physician or nurse practitioner. Any change in the time or dosage of the medication must be accompanied by a written request from the physician and parent.

It is the student's responsibility to come to the health room for assistance in taking medication.

Both the Prescription Medication Authorization and the Over-the-Counter Medication Authorization forms may be found here: [Health Services](#)

### ***Students Staying Inside from Recess or Excused from PE***

Parents may request that their child be permitted to remain inside during recess or excused from gym class following a recent illness or injury for up to three days. **If it is necessary for the student to be excluded for longer than three days, a note from your child's physician will be required.** A note from a doctor limiting physical activity will apply to both PE and recess.

### ***Emergency Medications***

All student-occupied buildings in this district are equipped with diphenhydramine (Brand name: Benadryl), prefilled epinephrine auto syringes, asthma-related rescue medications, and naloxone. The school nurse or another employee trained and supervised by the school nurse may administer these medications when they believe, based on training, that a student is having a serious or life-threatening reaction or episode. A prescription or written permission from a parent/ guardian is not necessary to administer the epinephrine or naloxone in an emergency situation.

Epinephrine and naloxone medications will be administered only in accordance with written protocols provided by an authorized prescriber. Naloxone (brand name: Narcan) will be administered by the nurses or other trained employees to students suspected of having an opioid-related drug overdose. If available, the board will obtain an adequate supply of prefilled epinephrine auto syringes, asthma-related rescue medications, and naloxone based on the recommendation of the school nurse, who will be responsible for maintaining adequate supplies based on previous use levels and replacing expired syringes and medications.

Parental authorization is required in order for the nurse to administer the Benadryl in an emergency situation. Please mark "Yes" or "No" on the back page of the health form (or also found at the bottom of the health form when enrolling online) and provide a parent/guardian signature. Note: the Benadryl supplied may contain red food dye.

### ***Criteria for Being Sent Home/Emergencies***

In case of an accident or illness at school, parents will be contacted. Current phone numbers for home and work for both parents are very important. Names and telephone numbers of relatives and/or friends who can assume temporary responsibility for your child until a parent can be reached need to be provided to the school. No seriously ill or injured child will be sent home alone. The telephone number of your child's doctor and dentist are necessary in case of an emergency when a family member cannot be reached, and immediate instructions are needed.

Parents will be notified to pick up their child in the event of illness or serious injury. General criteria for sending an ill child home will be a temperature of 100.4 degrees, vomiting, diarrhea, severe coughing, and suspicion of a communicable disease or the inability to participate in normal classroom activity. Students may not return to school until symptom free for 24 hours, without medication.

The school nurse cannot assume the responsibility for any emergency treatment beyond first aid. The nurse is not permitted to diagnose and cannot be expected to treat an illness or injury that occurred away from school. A child who is ill (ex: fever, severe cold, vomiting, diarrhea) should be kept home.

### ***Communicable Diseases***

The North Kansas City School District School Board recognizes its responsibility to protect the health of students and employees from the risks posed by communicable diseases. The Board also has a responsibility to protect individual privacy, educate all students regardless of medical condition and treat students and employees in a nondiscriminatory manner.

It is important that the school be notified if your child develops one of the following diseases:

<b>Disease</b>	<b>Incubation</b>	<b>Exclusion from school if necessary</b>
Chicken Pox	10-21 days	Students may be readmitted when skin is clear -OR- all lesions are crusted
Impetigo	1-10 days	Until skin sores are healed, or until 24 hours after medical treatment has been identified and condition is improving.
Pink Eye	24-72 hours	Until there is no longer eye discharge or until treatment by a physician and condition is improving, usually 1-2 days
Ringworm	4-10 days	Until effective treatment is started. Severe cases may require prescription medication. Area must be covered with a band aid.
Scabies	2-6 weeks before onset of itching in primary infections; for recurrences, 1-4 days	Until the day after adequate treatment with an effective preparation which kills the mites
Scarlet Fever Strep Throat	1-3 days	24 hours after starting antibiotic and 24 hours fever free
Measles (Rubeola)	7-18 days	Minimum of 4 days after the appearance of the rash
Measles (Rubella)	14-23 days	Minimum of 7 days after the appearance of the rash
Mumps	12-25 days	Minimum of 9 days from the onset or until the swelling is gone
Whooping Cough	6-20 days	From time of diagnosis until 3 weeks after the development of cough. If treated with erythromycin, exclude 5 days after onset of therapy.

For further information, please refer to school district policies and regulations by following the link: Policy EBB [COMMUNICABLE DISEASES](#)

## **District Transportation**

### ***Free Transportation***

Transportation is provided free for students living more than one mile from their attendance center. In addition, transportation for students residing less than one mile from school is available only in areas that the Board has determined to be unreasonably hazardous.

### ***Paid Transportation***

Paid transportation is available on scheduled routes on a “space-available” basis for students residing less than one mile from school. Bus routes cannot be altered for paid riders. Application for paid transportation must be submitted each year. Paid transportation forms are available at the school or on the district website.

### ***Routing***

The Transportation Routing Department works diligently to provide the closest and safest bus stop for every student designated as a bus rider, utilizing DESE guidelines.

- State regulations discourage the routing of school buses into dead-end streets and cul-de-sacs.

- Scheduled bus stop times are provided as a guide. Actual stop time may be up to five minutes earlier or later than the scheduled time under normal driving conditions. During inclement weather, the bus may be further delayed.
- Should a student's mode of transportation to and from school change, the parent should inform the school in writing.
- Only students enrolled in North Kansas City Schools, who are bus eligible, may ride the district buses. The district is not licensed by the state to transport adults. Parents may ride on district buses only while acting as chaperones on activity trips.
- For more information about bus schedules and routes, contact your school or Transportation Services at (816) 321-5007.

### *Special Education Routing*

Every student with a Special Education requirement will be routed and transported appropriately, in strict compliance to their IEP or 504. Door to Door, Curb to Curb, and Safest/Closest (Safest Location Assessable by Bus) bus stop locations will be approved by Transportation, as defined by DESE guidelines, prior to routing being completed.

Definitions for Door to Door and Curb to Curb:

- Door-to-door services would indicate that district personnel will be accompanying the child in the mornings from the door of home onto the bus and then to the door of the school. In the afternoons, district personnel would accompany the child from the door of the school onto the bus and then to the door of the home in the afternoon. Door to door should rarely be used except in extreme cases where district personnel are required to assist the student from the school on to the bus and from the bus stop to door of the home-in conjunction with an appointed adult.
- Curb-to-curb indicates that the student will be picked-up and dropped-off at the curb of the students' home or alternate address—if address is not accessible by a bus, alternate transportation will be arranged. The student will be received by school staff at school in the morning and taken to their bus by school staff in the afternoon. An approved adult is required to be present at the door of the bus at pick up and drop off, unless otherwise denoted in their IEP or 504.

### *Assigned Bus Stops*

Each student is assigned a designated bus stop. Students are permitted to ride a different route only after a "Request for Alternate Transportation" form has been submitted and approved, this form can be found at the school or on the district website. When an alternate route request is approved, service on the original route is discontinued. This alternate route would now be the student's permanent route on all school days—the student will not be able to ride the "original route" unless the alternate route is discontinued or altered.

On rare occasions, parents request that their children be permitted to board or disembark the school bus at some place other than their designated stop. The school district policy and Missouri state law for these special situations is as follows:

1. These exceptions will be made only for students who are already authorized transportation. Students who are not authorized riders cannot be transported.
2. Written permission from the student's parent or guardian must be received and approved by the building principal-the student will be given a signed "Transportation Bus Pass" to present to the Driver upon boarding the bus.
3. The stop requested must be a designated stop on an existing route.

4. If the request involves the students' riding another bus, the request will be granted only if there is adequate room for the additional rider.
5. Special requests will be approved only for emergency childcare purposes. Permission will not be granted for transportation to jobs, scouts, parties, etc.

### ***Walking Distances***

School bus routes are designed to comply with guidelines established by the Missouri Department of Elementary and Secondary Education. Walking distances to bus stops are based on one block being equal to one-tenth of a mile, or 528 feet. Students walk to central pickup locations.

We observe the following guidelines for walk distance to a bus stop:

- Elementary students (K-5), not more than three blocks.
- Middle School students (6-8), not more than four blocks.
- High School students (9-12), not more than five blocks.

### ***Bus Regulations***

The Missouri Department of Elementary and Secondary Education and North Kansas City Schools use the following rules:

1. The Bus Driver shall be in charge of all passengers at all times and shall have authority to assign seats. Students shall not stand in the traveled portion of the roadway while waiting for the bus.
2. Students should conduct themselves in a safe manner while waiting for the bus, away from the traveled portion of the roadway.
3. When it is necessary for students to cross the street, board or disembark the bus, they must cross a minimum of ten feet in front of the bus on the signal of the driver, NEVER behind the bus.
4. Students shall remain seated, facing the front of the bus. No portion of their body should be extended in the aisle or out of the bus window.
5. The following items are not permitted on the bus: tobacco products of any type, alcohol, drugs, any illegal or controlled substance, weapons of any type, including guns, knives or gun or knife look-alikes, any object that may harm another student, explosive devices, fireworks, matches, lighters, animals, or insects of any type.
6. Students shall not throw items inside the bus, or out of the bus windows.
7. The aisles and exits shall be clear at all times. Students may not open or close any door except in an emergency.
8. Vandalizing the bus or any of its equipment is prohibited and restitution may be required to repair/replace said vandalism.
9. Students may not eat or drink on the bus.
10. Items too large to be held safely while students remain seated may be stored in a designated area. If that cannot be done safely, the student must make other arrangements for transporting these items. Many large instruments are not transportable on the bus, please see your school's instrument teacher, or click [here](#) for a complete list.
11. Electronic devices are to be used in a courteous, responsible, and appropriate fashion.— when listening to any of these devices, the student MUST have earbuds or headphones. If these electronic devices cause any type of disruption or distraction, they may be taken by the bus driver/aide for the duration of their bus ride, but will be returned at the students stop.

### ***Bus Behavior***

Transportation is provided free for students living more than one mile from their attendance center. No student is required to ride the school bus in order to attend school. Riding the bus is a privilege, which is earned by obeying safety and behavior rules. Our first concern is safety. We provide supervision during the loading and unloading of buses and while students are on the buses, this is limited to some degree as drivers must be watchful of traffic and road conditions. While driving, a bus driver must rely on the

cooperation of students in order to maintain a safe and orderly bus. Thus, we depend on our students to practice responsible self-discipline while riding the buses. Each student is expected to conform to a reasonable standard of conduct that will not jeopardize fellow students, the driver, or the equipment. If a student chooses to misbehave or disobey bus rules, appropriate consequences will be administered which may include suspension of Transportation Services.

### ***Bus Expectations (The Basics)***

1. Students are expected to be at the bus stop five (5) minutes prior to the scheduled bus stop time.
2. Every Middle and Elementary School student will be assigned a seat on the bus, that seat will be noted on a seating chart. All seating charts are filed electronically for the Administrator's reference. Changing seating arrangements are the driver's prerogative, dependent upon behavior and the best/safest location for a given student. Students are expected to stay in their assigned seat, sitting properly, for the duration of the ride.
3. Every student will be expected to talk in a classroom voice while riding the bus.
4. Every student will be expected to keep their hands and feet to themselves.
5. As every bus is an extension of the classroom, any behavior or action that is not permissible in class or school, also will not be permissible on the bus.
6. Every Elementary School student must have an ID tag and we encourage having a Zpass card (Opt-out form on Transportation page of District Web site) while riding the bus. If a student has a Zpass card, they are expected to scan their card, getting on and off the bus at their stop location-for their safety and protection.

Note: The Zpass card creates an electronic record of when the student enters and exits the bus. If a student loses either of these two items or changes backpacks—please have them report to the school office for replacements.

### ***Bus Disciplinary Procedures***

Students, parents, bus drivers and administrators must work together to ensure that North Kansas City Schools provides safe, timely and efficient student transportation. As each student is expected to conform to a reasonable standard of conduct, should a student choose to misbehave or to jeopardize the general welfare of those on the bus, the following procedures may be followed.

1. The Driver will make every effort to improve disruptive and/or unsafe behavior prior to writing a bus discipline referral. The driver/aide will exhaust three specific redirected steps, denoted on the Bus Discipline referral form.
2. Upon the next occurrence of disruptive and/or unsafe behavior, the Driver will write a "Bus discipline Referral" for the student(s) involved, to be delivered to Transportation Administrator and the Building Administrator. The Building Administrator will determine what disciplinary action should be taken. Copies of the referral will be sent to the parents for their signature and to Transportation Services;
3. If the unsafe behavior continues, a second referral may be issued. The Building Administrator may request a conference with the student and/or parent to begin the investigation. Should additional referrals be issued, and the Administrator has completed a thorough investigation and processing of prior referrals, the next Administrative action may result in, but not be limited to, suspension of bus riding privileges in the following discretionary sequence:
  - (a) The third referral—ONE-day suspension\*
  - (b) The fourth referral—THREE-day suspension\*
  - (c) The fifth referral—TEN-day suspension\*
  - (d) If after a series of suspensions and the disruptive, inappropriate, or unsafe behavior continues—bus riding privileges may be terminated for the remainder of the school year.

\*Upon returning from any bus suspension, the administrator may require a conference with the student, parent, and Transportation Administration as a part of the conditions for restoring transportation privileges.”

Severe student behavior that endangers the health and safety of other passengers or the Driver will be deemed a “serious offense” and may result in an immediate suspension of bus riding privileges. In this case, the Building Administrator will notify the students’ parents when an immediate suspension is necessary by phone and/or referral response.

Note: If any bus suspension is deemed necessary, it is the responsibility of the parent or guardian to ensure that the student attends school.

### ***Harassment on the School Bus***

Each child should experience a safe ride to school free from threats or intimidation. Sexual comments, gestures, or actions by students to other students will be considered sexual harassment and a violation of district policy. Racial/ethnic harassment is a violation of district policy. Harassment of any kind will not be tolerated. Confirmed violations will be referred to a Building Administrator for action. Your child should enjoy safety and respect in school and on the bus. You can help by reminding your child about appropriate behavior. If your child is experiencing harassment, please have them report it to the bus driver, school administrator, and/or Transportation.

### ***Bus Cameras***

In an effort to maintain order and discipline, buses are equipped with video and audio surveillance systems. Due to confidentiality, parents will not be allowed to view the video without prior approval from the Superintendent and signed waivers from all students’ parents within view.

### ***Damaged, Lost or Stolen Items***

Reasonable efforts will be made to remind students to secure and gather belongings while on the school bus during the off-loading process, however the District is not responsible for damaged, lost, or stolen items brought onto the bus.

### ***Special Services***

Transportation service is available for students with disabilities. For information, contact Pupil Services at (816) 321-3848.

## Student Safety

### *Safe and Respectful Schools*

We believe that our number one priority, safe and respectful schools, is a prerequisite for learning. Thorough supervision of hallways, lunchroom, and outside grounds before and after school is important in keeping our school safe and respectful. To help ensure a safe environment, all doors will be locked from the outside except for the front foyer.

### *Urgent Communication*

If events at school require urgent communication home to families, please know NKC Schools will always do its best to be as timely as possible. The speed of texting and social media often means news breaks quickly, not allowing the district an opportunity to inform families and staff before local media has it online or on TV. Our first priority is always to ensure students and staff are safe. Once we know the people in our buildings are okay, our next priority is informing families of the situation as we know it, and that all is well.

We often work in partnership with local law enforcement in these types of situations. When law enforcement is involved, the district follows their lead and releases information at their direction. We will always share as much information as we can, as quickly as we can. However, at times this is not always possible. Ideally the first details families receive would come from the school and/or district, but our need to provide accurate information often means Facebook, Twitter, local media, and text messages will be sharing the news before district communications has gone out. Thank you for understanding any perceived delay in notifying families as we work through our processes and procedures.

### *Emergency/Crisis Plan*

Each district site has an Emergency/Crisis Plan in place to address specific emergencies. To facilitate preparedness students will participate in various drills throughout the school year.

### *Tornado Safety*

When the National Weather Service issues a **Tornado Warning** that affects NKC Schools, sites included in the warning will take appropriate measures to shelter students, staff, and visitors. How and where students are sheltered may vary from site to site due to differences in building configurations. If a Tornado Warning occurs during a release time, students and their bus drivers will remain in the school until the warning has been lifted and an "all clear" has been given by the Superintendent or his designee. Parents, waiting in cars to pick up their children when warning sirens are activated, will be encouraged to seek safe shelter inside the school building.

### *Earthquake Safety*

Information regarding earthquake safety procedures may be found by following the link:

<http://sema.dps.mo.gov/docs/earthquake/Schools.pdf>

### *Who May Pick Up Students from School*

The school will not allow students to leave with someone other than a parent unless directed to do so by a parent. In the event that a biological parent has had his/her rights restricted by a court, such documentation must be on file in the school office. Parents are responsible for keeping the office informed of any changes in addresses, phone number, emergency contact information, or court orders throughout the school year. The school may require the person who is picking up a student to show valid photo identification.

### *Change in Mode of Transportation*

Should a student's mode of transportation to and from school change, the parent must inform the school in writing.

### ***Drug Free Schools***

The North Kansas City School District is concerned with the health, welfare, and safety of its students. Therefore, use, sale, transfer, distribution, possession or being under the influence of unauthorized prescription drugs, alcohol, narcotic substances, unauthorized inhalants, controlled substances, illegal drugs, counterfeit substances, and imitation controlled substances is prohibited on any district property, in any district-owned vehicle or in any other district-approved vehicle used to transport students to and from school or district activities. This prohibition also applies to any district-sponsored or district-approved activity, event, or function, such as a field trip or athletic event, where students are under the supervision of the school district. The use, sale, transfer, or possession of drug-related paraphernalia is also prohibited. For further information, please refer to school district policies and regulations by following the link: Policy-JFCH

### ***Drug Detection Dog***

North Kansas City Schools will work in conjunction with local law enforcement agencies to employ the use of drug detection dog periodically throughout the school year. The purpose of the district's efforts is to create a zone around our schools that is free from the menace of drugs and at the same time respectful of the privacy of our students. The scope of the operation is:

- ☐ There will be no prior notice to the students of the visit of the drug detection dog.
- ☐ The building will be subject to periodic rechecks throughout the school year at the discretion of the administration and local law enforcement.
- ☐ The drug detection dog will be used to sniff classrooms, unattended objects, and unoccupied areas of the building or campus.
- ☐ At no time will the dog be intentionally used to physically sniff students. The presence of the dog around students will be minimized as much as possible.
- ☐ Only certified narcotic canines will be utilized.

## **Asbestos Hazard Emergency Response Act**

In 1986, the United States Congress passed the Asbestos Hazard Emergency Response Act (AHERA), which required the U. S. Environmental Protection Agency (EPA) to establish Federal regulations that safeguard our Nation's school children and employees from asbestos exposure in school buildings. The initial inspection of buildings in North Kansas City Schools was completed in 1988 by accredited asbestos inspectors. Based on the results of this inspection, an Asbestos Management Plan was written for each building owned or leased by North Kansas City Schools. A master copy of the Asbestos Management Plan is available at the main Administrative Center, 2000 NE 46<sup>th</sup> Street, Kansas City, Missouri, and an individual copy specific to the building is available at each respective building. Mr. Mark Graviett, Director of Operations and Maintenance, is the district's designated Asbestos Program Manager. For information or inquiries please email Mark Graviett, [mark.graviett@nkcschools.org](mailto:mark.graviett@nkcschools.org)

AHERA regulations also require these buildings to be re-inspected every three years. The latest reinspection was completed in August 2016. A master copy of these re-inspections is available at the main Administrative Center, 2000 NE 46<sup>th</sup> Street, Kansas City, Missouri, and an individual copy specific to the building is available at each respective building.

Please be assured that the district will continue to take whatever steps necessary to ensure a safe environment for its students, staff, and visitors.

Furthermore, the administration reserves the right to amend any provision in this handbook, which he/she deems to be in the best interest of the education process.

### ***Weapons in School***

The Board of Education recognizes the importance of preserving a safe educational environment for students, employees, and patrons of the district. In order to maintain the safety of the educational community, the district will strictly enforce the necessary disciplinary consequences resulting from the use or possession of weapons on school property, buses, or school activities. No student may possess a weapon on school property at any time, except as specifically authorized during a school sponsored or school-sanctioned activity permitting weapons. Bullying is intimidation, unwanted aggressive behavior, or harassment that is repetitive or substantially likely to be repeated and causes a reasonable student to fear for his or her safety or property, that substantially interferes with the educational performance, opportunities or benefits of any student without exception, or that substantially disrupts the orderly operation of the school. It is crucial that any act/s of bullying be reported to the building administration immediately.

## ***Hazing***

For purposes of this policy, hazing is defined as any willful activity, on or off school grounds, that recklessly, intentionally, or knowingly endangers the mental or physical health or safety of a student for the purposes of initiation or admission into or continued membership in any student organization. Hazing also includes activities that put another in a ridiculous, humiliating, or disconcerting position. Hazing occurs even when all students involved are willing participants.

North Kansas City Schools prohibits any form of hazing, including but not limited to initiation rituals and harassment. In North Kansas City Schools, hazing is unacceptable conduct and can result in disciplinary action. Disciplinary action may include, but is not limited to, a student's suspension or expulsion from school or the termination of an employee's employment with the District. No student, coach, teacher, sponsor, volunteer, nor district employee shall plan, direct, encourage, assist, engage, or participate in any hazing activity. Administrators, coaches, teachers, sponsors, volunteers, and district employees shall not permit, condone, or tolerate any form of hazing. Students who have been subjected to hazing are instructed to promptly report such incidents to a school official.

## ***Hazing Complaint Procedure***

The principal or his/her designee shall conduct a timely and thorough investigation of the alleged hazing incident. The principal or his/her designee shall prepare a written report summarizing the investigation and recommending disposition of the complaint.

If the investigation results in a substantiated finding of hazing, the principal or his/her designee shall impose appropriate disciplinary action, as circumstances warrant, in accordance with other school policies. Additionally, a student found to have engaged in hazing may be subject to disciplinary action by an administrator, coach, teacher, or sponsor of any activity up to and including removal from any or all activities.

## **Student Behavior and Accountability**

### ***Principles of Behavior***

- ☐ Students will be respectful and courteous.
- ☐ Students will be prepared for class.
- ☐ Students will treat others as they wish to be treated.
- ☐ Students will try their best at all times.

### ***School Regulations/ School Expectations***

The primary objective of requiring appropriate student behavior and self-discipline is to produce a positive and safe learning atmosphere. All students will assume personal responsibility for their behavior and actions, develop appropriate self-control, exhibit self-discipline, and accept the responsibility and consequences of any inappropriate behavior. To accomplish this objective requires a cooperative effort from students, staff, and parents. Expectations are:

### ***Student Conduct Associated with the School Day, School Transportation and School Activities***

The school district believes in a proactive approach to student safety and well-being involving the parents and all associated with the activities of the school day and school events. Students are responsible for following school rules and regulations anytime students are involved in activities associated with the school. This includes, from the time students leave their home, throughout the school day, until they arrive at home after the school day or school activities. This student responsibility applies to any school district property, school field trips, school sponsored activities, walking to and from school or when participating in school transportation. School transportation includes between home and the bus stop, while at the bus stop and when riding on the school bus.

### ***Student Conduct***

North Kansas City Schools considers unacceptable, any conduct which is prejudicial to good order and discipline in the schools or which tends to impair the morale or good conduct of students. As the result of such conduct, students may be subjected to more severe disciplinary action, including suspension or expulsion from school and/or school activities. This applies to conduct in all school buildings on or about school grounds, at all school activities, or activities involving North Kansas City Schools, or in any vehicle when that vehicle is used to transport students for the school district

This extends to conduct that aids, abets, counsels, procures, or causes any act, deemed unacceptable. This also extends to conduct which assists an offender in preventing the student's punishment.

## ***Discipline Policy***

The safety and well-being of our students and staff are paramount. North Kansas City Schools Board of Education supports the development of effective programs that change behavior, so students leave with skills that allow them to function successfully. A safe and respectful learning environment is accomplished by working together. This means:

1. Commitment from home and school to hold students responsible for their behavior.
2. Comprehensive staff development programs that promote excellent teaching and effective classroom management.
3. Provision of a comprehensive series of support programs that recognize the diverse strengths and learning styles of students.

## ***Student Discipline Responsibility***

North Kansas City Schools Board of Education has the legal authority to make all needed policies, rules and regulations for organizing and governing the school district. This includes the power to suspend or expel a student for conduct, which is prejudicial to good order and discipline in the schools or impairs the morale or good conduct of the students. These policies, rules and regulations will apply to all students in attendance in the district instructional and support programs, as well as school-sponsored activities and events. Students who have been charged, convicted, or pleaded guilty in a court of general jurisdiction for commission of a felony may be suspended in accordance with law.

The Board of Education assigns the responsibility to the Superintendent (or designee) to work with the district's professional staff in the implementation of this policy and the preparation of related rules and regulations. Building principals are responsible for the development of rules and regulations regarding student conduct needed to maintain proper behavior in schools under their supervision. In addition, teachers shall have the authority to make and enforce necessary rules for the internal governance in the classroom, subject to review by the building principal. The Board expects each teacher to maintain a satisfactory standard of conduct in the classroom.

All employees of the North Kansas City Schools shall annually receive instruction related to the specific contents of the district's discipline policy in the course of their duties. The training includes, but is not limited to, approved methods of dealing with acts of school violence, disciplining students with disabilities, and instruction in the necessity and requirements for confidentiality.

## ***Corporal Punishment***

Corporal punishment shall not be used in the North Kansas City Schools. A staff member may, however, use reasonable physical force against a student without advance notice to the principal, if it is essential for self-defense, the preservation of order, or for the protection of other persons or the property of the school district.

## ***In-School Suspension***

Detention or an in-school suspension program provides principals with additional alternatives for dealing with disciplinary problems. The principal, or principal's designee, will determine the time and length of the detention or in-school suspension.

## ***Student Suspension and Expulsion***

North Kansas City Schools Board of Education believes that the right of a child to attend free public schools carries with it the responsibility of the child to attend school regularly and to comply with the school district's lawful policies, regulations and rules. This observance of school policies, rules and regulations is essential for permitting all students to learn at school.

Therefore, the administrative prerogative to exclude a student from school because of willful violation of school rules and regulations, willful conduct which materially or substantially disrupts the rights of others to an education, or willful conduct which endangers the student, other students, or the property of the school, is permitted, provided such action is taken in accordance with due process and with due regard for the welfare of both the student and the school.

The term “suspension” refers to an expulsion from school that will not exceed a specific period of time. The term “expulsion” refers to exclusion for an indefinite period.

### ***Suspensions for More than 180 Days and Expulsions***

Where suspension for a period greater than 180 school days, or expulsion is recommended or required by Board policy, the student and the student’s parents or others having custodial care of the student shall be notified orally and in writing stating the nature of charges and the action proposed to be taken. The Board, or the committee of the Board, shall have a hearing on the charges preferred.

The student and student’s parents, or others having custodial care of the student, shall be provided notice of the hearing, and shall be notified in writing of the time and place of the Board hearing. If, in the judgment of the Superintendent, the student’s presence poses a continuing danger to persons or property, or an ongoing threat of disrupting the academic process, the superintendent may temporarily suspend the student for a period not to exceed 10 days or until a hearing is held, whichever comes first.

At any requested or required hearing before the Board the student and the student’s parents or others having custodial care of the student may be represented by counsel and will have the opportunity to examine witnesses and present evidence on their own behalf. The president of the Board may appoint a committee of board members to hear such matters with full authority to act for the Board. At any hearing before the Board, as set forth in this policy, the Board may consider the student’s record of past disciplinary actions, criminal court records or juvenile court records consistent with the law, or the actions of the student which would constitute a criminal offense.

The Board will make a good faith effort to have the student’s parents or others having custodial care present at any requested or required hearing before the Board.

### ***Remedial Conference***

Prior to the readmission or enrollment of any student who has been suspended out of school or expelled in accordance with this policy, a conference must be held to review the student’s conduct that resulted in the suspension or expulsion and any remedial actions needed to prevent future occurrences of such conduct or related conduct. The conference shall include the appropriate school officials including any teacher directly involved with the conduct that resulted in the suspension or expulsion of the student, and the parent or guardian of the student or any agency having legal jurisdiction, care, custody, or control of the student. The Board of Education shall notify, in writing, the parents or guardians and all other parties of the time, place and agenda of any such conference. Failure of any party to attend this conference shall not preclude holding the conference.

### ***Children with Disabilities***

The Individuals with Disabilities Education Act 2001 provides specific disciplinary actions for the change in a student’s placement or removal of students with disabilities who violate the Safe Schools Act – including 10-day and 45-day suspensions.

## Food and Nutrition Services

### *Food and Nutrition Services*

Breakfast and lunch is available to all students and staff. Prices for the current school year may be found on the monthly menu on the District's website. Lunch times will depend on each student's schedule. Students who are eligible for free or reduced-priced lunch are also eligible for free or reduced-priced breakfast. Free/reduced-priced meal applications need to be turned in to the school before school starts and **a new application must be submitted each year**. You are responsible for paying for all meals until your application has been approved. Applications may be obtained during enrollment, at the Main School Office or completed online on the District's website at

<http://www.schoolnutritionandfitness.com/index.php?sid=0306152235285801&page=lunchapps>

Students should bring their lunch money in an envelope marked with their **first and last name, teacher's name, ID# and room number**. If paying for more than one child per check, write each ID# and students' names on the check and indicate how the money should be distributed. **Please make checks payable to the SCHOOL and add FNS** to indicate Food and Nutrition Services (for example, Clardy-FNS, Lakewood-FNS). Money can also be added to a student's meal account online via a credit card at <https://www.mypaymentsplus.com/welcome>. The student's meal account is then debited as the student makes food purchases. Parents are welcome to have lunch with their children.

### *Parties/Treats*

In order to prevent life-threatening situations due to many severe food allergies and medical needs and to comply with the District's current Board Policy (ADF), all foods and beverages provided and available to students during the school day must meet the U.S. Department of Agriculture (USDA) Smart Snack Guidelines. This includes, but is not limited to, foods and beverages provided or made available to students for celebrations, classroom parties and birthdays, regardless of the source of the food. As defined by the District's Board Policy ADF: **"the school day is the time period from the midnight before to 30 minutes after the official school day"**.

Non-food celebration ideas are welcomed and encouraged. Please contact your building principal for questions regarding non-food celebration ideas.

Board Policy ADF may be found here:

<https://simbli.eboardsolutions.com/Policy/ViewPolicy.aspx?S=110&revid=3ahgpEZEKuQsRKUDm2c4ng==&PG=6&st=wellness&mt=Exact>

The Food and Nutrition Department is offering parents the option of ordering birthday treats for their children from the school cafeteria. Parents may select from a variety of kid-friendly treats (view the school Website). Order your birthday treats two weeks in advance of your child's birthday from your cafeteria manager and the treats will be delivered to the classroom the day of the party.

### *Special Diets/Food Allergies*

If your student requires a special diet or needs the school meal to be modified due to a medical condition, including food allergies, please complete the Medical Statement for Student's Requiring Special Meals. USDA regulation 7 CFR Part 15b requires a statement signed by a licensed physician and a parent signature to allow any changes or substitutions to the standard school meal. Only a MD, DO, PA or NP is authorized to sign the medical statement.

Please complete the Medical Statement for Students Requiring Special Meals form and give to your school nurse or fax to (816) 321-5447. Feel free to contact Hannah Broockerd at (816) 321-5008 or at [hannah.broockerd@nkcschools.org](mailto:hannah.broockerd@nkcschools.org) for more information on how we can better meet the special diet needs of your student.

If your student's diet changes for any reason, a new Medical Statement must be filed before any changes are made to the student's diet. Only the current Medical Statement will be followed by the Food and Nutrition Services Department. You can request allergies be removed with an email or a written statement signed by the parent/guardian.

The Medical Statement for Students Requiring Special Meals Forms may be found by following the link: [Medical Statement for Students Special Meals Form](#)

Parents/guardians are responsible for sending meals from home for their student until the medical form is turned in and the school has had enough time to prepare a special menu and order in special foods (about two weeks). Per program regulations, no substitutions or modifications are allowed without the medical form completed and on file.

If your student's diet changes for any reason, a new Medical Statement must be filed before any changes are made to the student's diet. Only the current Medical Statement will be followed by the Food and Nutrition Services Department. You can request allergies be removed with an email or written statement.

## Instruction and Assessment

### *High School Instructional Program*

The High School Instructional Program is designed to provide students with the preparation necessary for success beyond graduation. Each student, with the assistance of the guidance counselors, completes an Individualized Career Plan upon entry into the high school program. This plan provides a blueprint for the coursework needed to fulfill graduation requirements. In addition, the individualized plan is designed to prepare each student for post-secondary studies and pursuit of career interests. See the **North Kansas City Schools Career Planning & Education Guide (CPEG)** for detailed information regarding course offerings by following the link: [\*\*CAREER PLANNING & EDUCATION GUIDE\*\*](#)

### *Human Sexuality Instruction*

The Board of Education recognizes that parents/guardians are the primary source of sexuality education for their children. The Board also recognizes that effective sexuality education, taught in concert with parents/guardians, helps students avoid risks to their health and academic success and prepares them to make informed decisions as adults. Therefore, pursuant to requirements of state law, if the district chooses to use any course materials and instruction relating to human sexuality and sexually transmitted diseases the materials and instruction shall be medically and factually accurate.

For further information please refer to district policies and regulations by following the link: Policy IGAEB <https://simbli.eboardsolutions.com/ePolicy/Policy.aspx?S=110&Sch=110&PC=IGAEB&Z=P&revNo=1.11&srch=sexuality&ktype=Exact&encu=xa9jwu0EeqNJP1IMR8zErI2Eu9hM2yurtmPs7R4uWoGGjTef44Fe0IFZlhp8siHml77y1xcwpplus6EwH2ovuEjEBslshDZvDmkWGPZMjh0v3eXIngjjw4KXmbGehxrAmYj06cyDIGfsAHHLnUa6o1slshzvGxirdj30hoR6wi0re0UrbHY8JGWvz2plusnDQg9nRcCp1oiG>

### *Textbooks & Supplies*

The district will provide necessary textbooks in all basic instructional areas. Supplemental resources are available from the Library Media Center as well as teachers. Students will be charged replacement costs for any resources lost or damaged.

### *Specially Trained Teachers*

Specially trained teachers are available for students who qualify for services in reading, speech and/or language, special education, gifted education, and English Language Learners (ELL). Guidance counselors are available to meet with individuals, small groups, and parents upon request. The district provides home/hospital instruction for students unable to attend school for an extended period of time due to a medical condition.

### *Field Trips*

The Board believes that field trips often enhance the program of instruction and add much to the education of a student. Trips may be authorized by the superintendent or delegated representative when the activities contribute substantially to the achievement of desirable educational goals. All field trips should be planned with an educational purpose and in relation to a unit of study. To be educationally beneficial, a field trip requires thoughtful selection, careful advance preparation of the class and opportunities for students to assimilate the experience during and at the conclusion of the trip. To this end, teachers and principals will be expected to consider the following factors in the selection of field trips:

- Value of the activity to the particular class group or class groups.
- Relationship of the field trip activity to a particular aspect of classroom instruction.
- Suitability of the activity and distance traveled in terms of the age level of students.
- Mode and availability of transportation.
- Cost of field trip.

Due to the increased cost of transportation, all field trips should be carefully scrutinized by the administration.

All parents of students who are eligible to participate in the field trip shall be notified of the activity.

### ***Progress Reports***

Progress reports are distributed every six weeks. Consult your school for a reporting schedule.

### ***PowerSchool Student-Parent Portal***

PowerSchool is a software program that provides students, parents and guardians access to a student's daily attendance and grades via the Internet. For more information about PowerSchool, currently offered to district middle and high school families, contact your student's home school.

### ***A+ Schools Program***

All North Kansas City Schools are designated as A+ Schools by the state of Missouri. This means that students who meet certain requirements are eligible to receive tuition reimbursement and general fees to any of Missouri's public community colleges or public vocational or technical schools. Consult your school's A+ Coordinator for more information about this program. The A+ Schools program created by the passage of Senate Bill 280 contains the following provisions for students graduating from designated A+ Schools. Please read the following carefully and refer to the Career Planning and Education Guide (CPEG) for additional information.

#### **Benefits**

Students who meet the program requirements, receive tuition reimbursement to any of Missouri's public community colleges or public vocational or technical schools. Students must make a good faith effort to secure all available federal post-secondary student financial assistance funds that do not require payment in order to qualify for graduation. Also note, the Missouri legislature may revise the benefits of this program.

### ***A+ Program Requirements***

To be eligible for the financial incentives of the A+ Schools Program, a student must have:

1. Be a U.S. citizen or permanent resident.
2. Enter into a written agreement with your high school prior to graduation.
3. Attend a designated A+ high school for 3 years prior to graduation.
4. Graduate from an A+ designated high school with an overall grade point average of 2.5 or higher on a 4.0 scale.
5. Have at least a 95% attendance record overall for grades 9-12.
6. Perform at least 50 hours of unpaid tutoring or mentoring, of which up to 25% may include job shadowing prior to graduation.
7. Maintain a record of good citizenship and avoid the unlawful use of drugs and/or alcohol while in grades 9-12.
8. Have achieved a score of proficient or advanced on the Algebra I end of course exam or a high level DESE approved end-of-course exam in the field of mathematics (or a specified combination of ACT Math score and High School GPA as determined by the State).

### ***Distinguished Achievement Program***

North Kansas City Schools sets high expectations for all students. Those learners who are academically talented and motivated should strive to earn one of the district's diplomas of distinction, the **Gold Medallion Honors Diploma**, or the **International Baccalaureate Diploma**. Colleges and universities recognize honors diploma programs as the most rigorous course of study, and the district sends advance information to directors of admissions regarding requirements for both diplomas.

Honor graduates receive public recognition at Distinguished Achievement Program events (Honors Night) and at Graduation. Students are lauded for outstanding academic performance and for important academic research in printed programs and with special adornments on graduation robes. Gold Distinguished Achievement seals are placed on diplomas, and covers are gold to indicate the academic accomplishment.

### ***Advanced Placement Courses***

Advanced Placement (AP) courses are college-level courses taught at the high school by trained, qualified teachers using materials designed to prepare students for success on AP exams. Parents should visit the website of the college/university the student plans to attend to determine the policy regarding credit granted for AP courses/exams. Students should consult the most recent edition of the Program of Studies for AP course offerings.

### ***Dual Credit Courses***

Dual Credit courses are college-level classes taught at the high school by teachers who have met criteria established by Missouri's Coordinating Board for Higher Education and by the college/university granting credit. Students may receive one-half unit of high school credit for each semester of class and earn the designated number of college hours. It is important that parents check with the college/university the student plans to attend to ensure that credit will be accepted.

### ***Honors Courses***

The purpose of Honors Courses for students in the North Kansas City Schools is to address the cognitive and affective needs of high-achieving learners by providing an accelerated and enriched academic program. Honors Courses (based on a Pre-AP curriculum) empower students to complete rigorous academic work, be responsible for their own learning, and demonstrate progress toward mastery of district graduation goals.

### ***eCAMPUS Fueled by Launch***

The opportunity to take some high school courses in an online learning environment. Students may work on classes from school or home. Refer to the Career Planning and Education Guide (CPEG) for details.

### ***International Baccalaureate Diploma Program (IBDP)***

The International Baccalaureate degree is recognized by colleges and universities and is offered at more than 3,285 schools in 141 countries worldwide. Only 752 high schools in the United States, 10 in the state of Missouri, offer the IB Diploma Program. North Kansas City High School is the site for this prestigious program for all interested students in our school district.

The International Baccalaureate (IB) Program is a two-year, pre-university course of study designed to meet the needs of highly motivated students and, at the same time, promote international understanding. Because of the IB Program's rigor, North Kansas City Schools offers two additional years of study as preparation for the IB. Students are encouraged to enroll in this Pre-International Baccalaureate program in Grades 9 and 10 and advance to IB courses for grades 11 and 12.

Students must earn minimum of 26 units of credit as outlined in the Program of Studies and the Diploma Options Supplement. The effectiveness of the IB Program is due not only to the depth of the individual courses, but also to the comprehensive nature of the total program. IB Diploma candidates take courses in six academic areas and must pass written examinations in all six areas, earning 24 points in order to qualify for the degree. Some subjects include an oral examination as well. IB Diploma candidates also participate in 150 hours of creativity, action, and service (CAS); take a unique course, Theory of Knowledge; and develop a 4,000-word extended essay. Refer to the Career Planning and Education Guide (CPEG) for additional information.

### ***International Baccalaureate Diploma Program (IBCP)***

To prepare students for the 21<sup>st</sup> Century, the International Baccalaureate has developed the IB Career related Program, an academic qualification designed to support schools and colleges that offer career related courses to their students. The newest of the four IB programs, the IBCP is offered in 216 schools worldwide. There are approximately 106 schools in the United States offering the IBCP. Like the IB Diploma program, schools that adopt IBCP are public, private, magnet, comprehensive, international, redesigned.

The IBCP provides the basis for effective collaboration in the workplace, additional training in a career related field, as well as improved mobility and flexibility in one's employment. The IBCP offers a learning and assessment program that promotes access to an IB education, school retention, responsibility for one's own actions, skills development, reflection of life experiences, and self-esteem through meaningful achievements.

### *Service to Community Hours Requirements*

Service to Community hours requirement is based on our goal to prepare young adults to become active and productive citizens. We learn by doing, and service to community is one means of educating students to be good citizens. Service to Community Hours have proven to be beneficial in enhancing students' self-esteem while increasing growth in social awareness and social commitment.

The following Service to Community Hours guidelines were established by the Graduation Task Force in the fall of 2014 and are to be utilized as a guide for required Service to Community Hours for graduation.

- Service to Community is volunteer work for which no other credit or monetary compensation is received.

### ***Progress Reports***

Students receive progress reports four times per year. The purpose of these reports is to keep parents informed regarding a child's progress. **Parents are expected to sign and return the large envelope after each grading period.** Check the calendar on the inside cover of this handbook for specific distribution dates.

### ***Promotion and Retention of Students***

North Kansas City Schools is committed to the continuous development of students enrolled in the district's schools and to student achievement of the skills for the current grade assignment for promotion to a higher grade. In evaluating student achievement, each teacher will make use of all available information including results of teacher-made tests, other measures of skill and content mastery, standardized test results, and teacher observation of student performance. Students will normally progress annually from grade to grade when, in the judgment of the professional staff, it is in the best interest of the student involved. However, retention may be considered when, in the judgment of the professional staff, it is in the best interest of the student. The final decision to promote or retain a student rests with the school administration.

### ***Extended Learning Time (XLT)***

The summer school program offers mastery classes and is available to all District students at no charge. However, a fee may be charged for transportation. Brochures are sent home in early spring. If your child's teacher or counselor recommends the mastery XLT program, you are strongly encouraged to enroll your child in order to reinforce basic math and reading skills.

## **Homework Philosophy and Guidelines**

### ***Homework Objectives***

Homework is an important part of a student's learning experience. It provides opportunities for students to practice skills and improve their understanding. It also provides additional time for students to complete work, conduct follow-up studies and develop good study habits.

In North Kansas City Schools, teachers assign homework to achieve the following objectives:

- Provide independent practice of learned concepts and/or skills
- Assist students in developing good independent work/study habits
- Promote student responsibility, time management, and self-discipline
- Encourage independent research skills
- Promote positive interaction between students and parents

## ***Responsibilities***

To promote homework as an extension of classroom experiences, the following guidelines have been developed to assist those working with students.

### ***Student Responsibilities***

- Records, completes, and returns assigned work on time.
- Assumes responsibility for completing work when absent from school.
- Establishes a time and location at home for work to be done.
- Communicates homework assignments with parents/guardians.
- Strives to complete work to the best of his/her ability.

### ***Parent/Guardian Responsibilities***

- Works with the student to develop an appropriate time and location to complete work and develop into a routine.

### ***Time Allocation for High School Students***

The amount of homework for the high school student will vary depending upon the course of study and the student's total load, including extracurricular activities and out-of-school responsibilities. Time management and effective study habits should be emphasized at the high school level. Departments should work collaboratively to allocate testing and other significant projects so that they do not fall on the same day.

## Parent/Teacher Interactions

### *Parent/Teacher Conferences*

We desire parental involvement and encourage parents to call the school to schedule a conference with teachers throughout the school year if they have concerns, questions, or comments. A conference can be arranged with an administrator, counselor, or an individual teacher. In order to protect instructional time and the learning environment, we ask that parents arrange to meet with the staff ahead of time and check in with the receptionist in the Main Office. Parent/Teacher conferences will be held following the end of the first grading period. We encourage all of our parents to take advantage of this opportunity.

### *Contacting Teachers*

School efforts are most effective when there is cooperation between home and school. Parents are encouraged to call the child's teacher to discuss concerns. You may phone anytime during the school day and leave a message for a teacher. Telephones will not ring in the classroom during school hours, but you may leave a message and the teacher will return your call. You may also contact the teacher via e-mail.

### *Visits to Classrooms and District Events*

The North Kansas City Board of Education encourages parents to be actively involved in their child's education. The District is also committed to maintaining an instructional climate that is conducive to student success. Visitors are asked to schedule visits in advance so as not to interfere with the instructional program. Visitors must check in at the office upon arrival and wear a visitor's badge.

Classroom observations are subject to several conditions outlined in board policy KK-AF. Third party observations are permitted if the observation is: legally required, in the best interest of the child or is otherwise designed to improve the district's educational program. Parents who wish a third-party observation must complete district form KK-AF to the principal. Parents will be notified if their request has been approved.

District events are a vital part of the total educational program and should be used as a means for developing wholesome attitudes, positive social interaction, good sportsmanship, and appropriate behavior. Patrons are encouraged to attend and exhibit good sportsmanship, citizenship, ethics, and integrity at all district events. Consequences for not adhering to appropriate behavior are outlined in district policy KK-AP.

Student visitors from other locations will not be allowed during school hours.

## Student Attendance and Accountability

### *Attendance*

As directed by the Board, the following procedures will be used to implement the district's attendance policy.

#### **Definitions:**

Attendance – A student is considered to be in attendance if the student is physically present in a class; participating in a district-sponsored district-approved activity; participating in a class through alternative methods or media as allowed by Board policy; receiving homebound services; or receiving services at another location pursuant to law or by arrangement of the district.

**Parent** – A parent, guardian or person acting as a parent in the absence of the parent or guardian. If the student is emancipated, the student will serve as the parent for purposes of this procedure.

**Tardy** – A student is tardy if the student arrives after the expected time class or school begins, as determined by the district. Tardiness will be counted as an absence in situations where the student arrives too late to have a meaningful participation in the class, lesson or activity.

**Truancy** – A student is truant if the student is absent from class or school without the knowledge and consent of the parents and the administration. A student is also considered truant if the student leaves school without the consent of the building administration or accumulates excessive unjustifiable absences, even with parental consent. If an absence is not cleared up within five (5) days, the student may be considered truant. Truancy is a type of unexcused absence.

### ***Attendance Standards***

An **excused absence** is defined as an absence from class resulting from illness or unforeseen circumstances which is verified by a parent **and includes proper documentation**. With proper documentation, the following absences will NOT count toward the attendance consequences as defined below:

1. Hospitalization
2. Mandatory court date
3. Religious observance
4. Medically documented illness
5. Documented Dental/Orthodontist appointment or doctor's appointment
6. Verified school counseling/office appointment
7. A school-based medical professional excuses the absence
8. School-related activities in which the student is a participant
9. History of chronic health problems, provided that proper documentation is filed with the Attendance Office or in Health Room
10. Death in the family
11. Two College visits (to be taken as a junior/senior)

A **verified absence** is defined as an absence from class resulting from illness or unforeseen circumstances which is verified by a parent. The following absences are examples of absences that will count toward the attendance consequences as defined below:

1. Oversleeping
2. Going "out of town"
3. No ride to school
4. Personal business
5. Activity camps
6. District/state contests or other school related activities in which student is not a participant.
7. Family vacations
8. Missing the bus
9. Needed at home
10. Car trouble
11. Other absences verified by parents

All other absences will be considered unexcused and will count toward the attendance consequences as defined below.

### ***Communication to Parents and Students***

Parent/guardian will receive a notice of attendance at the 6, 12, 15, and 18-week mark in the semester. The purpose of the notice is to inform the parent about their student's status as it relates to the

expectation of 90% attendance. In addition, the notice will address the possibility of percentage deductions per course if the 90% threshold is not achieved. The notice will also include a detailed schedule of opportunities for students to make-up time through study sessions outside of the regular school day. The student or parent may request of a copy of the student's attendance report by contacting the school's attendance office.

### ***Consequences for Violations***

A high school student whose attendance falls below 90% in one semester will receive a percentage deduction by course as outlined in the table below. If the student is failing a course, he/she will receive an "F".

Attendance % By Course	% Grade Reduction
90%+	0%
85 - <90%	5%
80 - <85%	10%
75 - <80%	15%
70 - <75%	20%
65 - <70%	25%
60 - <65%	30%
55 - <60%	35%
50 - <55%	40%

### ***Review/Appeal Process***

If the student or parent feels that justifiable or extraordinary circumstances have contributed to not attaining the 90% threshold, the student and parent may appeal to the Attendance Review Committee. An appeal form must be completed and filed with the Attendance Office by the end of the semester the in which the absences occurred. This waiver should include documentation of illness, funeral or family emergency from a medical doctor, dentist, minister, or other official source. The review by the Attendance Review Committee shall be held within a reasonable time following the end of the semester. If no appeal request form is received by the end of the semester, then the decision to deduct percentage points from a student's grade(s) for the class(es) will stand.

The Attendance Review Committee will consider the reasons for all the student's absences. The committee will consider all relevant information including whether:

- The appeal form was returned to the attendance office by the end of the semester in which the absences occurred.
- The student has supplied reasons for each absence with appropriate documentation.

#### **The possible outcomes from an appeal to the Attendance Review Committee:**

1. The decision to deduct percentages for the class will stand.
2. Percentage points are reinstated.
3. Student is assigned make-up time for class time missed. Once the student makes up the time missed, percentage points will be reinstated.

**The outcome from the Attendance Review Committee will be communicated to the parents by phone and by written communication.**

In accordance with due process, the building decision may be appealed through the Academic Services Department and the office of the Deputy Director of Secondary Education.

The district will contact the Children's Division (CD) of the Department of Social Services or the local prosecutor in cases where the district has a reasonable suspicion that a student's lack of attendance constitutes education neglect on the part of the parents or that parents are in violation of the compulsory attendance law. No such action will be taken unless other strategies and interventions have been implemented and proven ineffective.

### ***Reporting Absences***

All schools have a 24-hour attendance line. In the event that an illness or other reasonable circumstance prevents your child from attending, please inform the school. If your child will miss several days, you only need to call the first day. If no contact is made by 9:00 a.m. for early schools and 9:30 a.m. for late schools, every attempt will be made to reach a parent or emergency contact to verify the reason for the absence. Our intent with the requirement for verification of absences, late arrivals, and early departures is that parents and school personnel always know where every student is during school hours.

### ***Late to School Procedure***

When a student arrives late, he/she must check in with the administrative assistant to obtain a pass to class. For the safety of the student and to verify the reason for the late arrival, parents must sign in their child in the office. Tardiness/late arrival will affect your child's attendance percentage.

### ***Early to Leave Procedure***

For the safety of the student and to verify the reason for leaving, parents must sign out their child in the office. The parent must notify the office in advance if someone other than the parent is picking up the child. Leaving early will affect your child's attendance percentage.

### ***Makeup Work Due to Absences***

If a student wants his/her "makeup" work when he/she is ill, the parent should call before 9:30 a.m. and not plan to pick up the work in the office until after 3:00 p.m.

### ***Planned Extended Absences***

The instructional program is designed for interaction between the teacher and student that is not possible when students are absent for extended periods of time. Parents are encouraged to plan vacations/trips during times when school is not in session. Schools will provide instructional materials/assignments for up to five (5) school days of consecutive absence with 48 hours prior notice. Due to state attendance reporting guidelines, the absence will be "excused absent" and will negatively affect the child's attendance percentage.

### ***Textbooks and Supplies***

The district will provide necessary textbooks in all basic instructional areas. Additional resources are available from the Library Media Center and teachers. Students will be charged replacement costs for any resources lost or damaged.

### ***Dress and Grooming***

Student dress and grooming will be the responsibility of the individual and parents/guardians, within the following guidelines:

1. Students' undergarments (i.e. underwear) must not be visible.
2. Clothing must not be transparent.
3. No clothing or accessories:
  - with expressed or implied obscenities;
  - that promote the use of drugs, alcohol, tobacco or criminal or sexual activity;
  - that depict hate speech or use words or symbols that target groups based on sex, age, race, religion, color, national origin, ancestry, creed, pregnancy, marital status, parental status, homelessness, sexual orientation, gender identity, gender expression, gender non-conformity, physical, mental, emotional or learning disability/handicap, or any legally-protected status or classification.
4. No jewelry that could inflict injury or cause damage to person or property.
5. All students must wear shoes, sandals, boots or similar footwear.
6. Clothing may not cover a student's face so that the student is not identifiable. The district may make an exception for religious or medical purposes.
7. Dress and grooming will not disrupt the educational environment.

When, in the judgment of the principal or assistant principal, a student's appearance or mode of dress does not comply with the above criteria, the student may be required to make modifications. No employee or volunteer shall direct a student to remove an emblem, insignia or garment, including a religious emblem, insignia or garment, as long as it is worn in a manner that does not promote disruptive behavior..

### ***Public Notice for Parents of Students with Disabilities***

All responsible public agencies are required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including children attending private schools, highly mobile children, such as migrant and homeless children, and children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade.

North Kansas City Schools assures that it will provide a free, appropriate education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under its jurisdiction. Disabilities include autism, visual impairment/blindness, emotional disorders, hearing impairment and deafness, mental retardation, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, and young children with a developmental delay.

North Kansas City Schools assures that it will provide information and referral services necessary to assist the State in the implementation of early intervention services for infants and toddlers eligible for the Missouri First Steps program.

North Kansas City Schools assures that personally identifiable information collected, used, or maintained by the agency for the purposes of identification, evaluation, placement, or provision of FAPE of children with disabilities may be inspected and/or reviewed by their parents/guardians. Parents/guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy and/or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

North Kansas City Schools have developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with Disabilities Education Act (IDEA). This plan contains the agency's policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the agency's assurances that services are provided in compliance with the General Education Provision Act (GEPA). This plan may be reviewed at Pupil Services/Doolin Center in the District Administrative Center, 2000 NE 46<sup>th</sup> Street, Kansas City, MO 64116, from 9:00 AM to 4:00 P.M. on days that school is in session.

Local school districts in the State of Missouri are required to conduct an annual census of all children with disabilities or suspected disabilities from birth to age twenty-one (21) that reside in the district. This census must be compiled by December 1<sup>st</sup> of each year. This information is treated as confidential and must include: the name of the child; parent/legal guardian's name and address; birth date and age of the child; the child's disability; and the services provided to the child. If you have a child with a disability or know of a child with a disability who is not attending the public school, please contact the Director of Pupil Services, at (816)321-3848. This notice will be provided in native languages as appropriate.

### *Specially Trained Teachers*

Specially trained teachers are available for students who qualify for services in reading, special education, gifted education (SAGE), and English Language Learners (ELL). In addition to delivering class lessons on personal and social development, the counselor is available to meet with individuals, small groups, and parents upon request. Parents of students who receive these services will be notified.

### *Field Trips*

The Board believes that field trips often enhance the program of instruction and add much to the education of a student. Trips may be authorized by the superintendent or delegated representative when the activities contribute substantially to the achievement of desirable educational goals. All field trips should be planned with an educational purpose and in relation to a unit of study. To be educationally beneficial, a field trip requires thoughtful selection, careful advance preparation of the class and opportunities for students to assimilate the experience during and at the conclusion of the trip. To this end, teachers and principals will be expected to consider the following factors in the selection of field trips:

- Value of the activity to the particular class group or class groups.
- Relationship of the field trip activity to a particular aspect of classroom instruction.
- Suitability of the activity and distance traveled in terms of the age level of students.
- Mode and availability of transportation.
- Cost of field trip.

Due to the increased cost of transportation, all field trips should be carefully scrutinized by the administration.

All parents of students who are eligible to participate in the field trip shall be notified of the activity.

### ***Reading/Senate Bill 319***

Senate Bill 319 (SB319) was enacted to ensure that by the end of the third-grade year every student is able to read well, and that the schools develop plans to assist students who have reading difficulties. Third graders reading more than a year below grade level must be identified. A Personalized Reading Education Plan (PREP) would be developed for the fourth-grade year. The PREP would include instruction from the reading specialist as well as instruction outside the regular school day for remediation. After this intervention, students still determined to be more than a year below grade level must be retained in the fourth grade. Some students are exempt from the requirements of the law due to identified special needs including English Language Learners (ELL), special education students, students who already have written plans addressing reading (504 plans), and students who have been identified to have low cognitive abilities that prevent them from reading at grade level.

### ***IEP Information***

Any portion of a student's individualized education program (IEP) that is related to demonstrated or potentially violent behavior shall be provided to any teacher or other school district employees who are directly responsible for the student's education or who otherwise interact with the student on an educational basis while acting within the scope of their assigned duties.

## **Technology**

### ***Technology Usage***

The North Kansas City School District's technology exists for the purpose of maximizing the educational opportunities and achievement of district students. Research shows that students who have access to technology improve achievement. In addition, technology assists with the professional enrichment of the staff and Board and increases engagement of students' families and other patrons of the district, all of which positively impact student achievement. The district will periodically conduct a technology census to ensure that instructional resources and equipment that support and extend the curriculum are readily available to teachers and students.

The purpose of this policy is to facilitate access to district technology and to create a safe environment in which to use that technology.

### ***Definitions***

For the purposes of this policy and related procedures and forms, the following terms are defined:

*Technology Resources* – Technologies, devices and resources used to access, process, store or communicate information. This definition includes, but is not limited to: computers, modems, printers, scanners, fax machines and transmissions, telephonic equipment, audio-visual equipment, Internet, electronic mail, electronic communications devices and services, multi-media resources, hardware, and software.

*User* – Any person who is permitted by the district to utilize any portion of the district's technology resources including, but not limited to, students, employees, School Board members and agents of the school district.

*User Identification (ID)* – Any identifier that would allow a user access to the district's technology resources or to any program including, but not limited to, email and Internet access.

*Password* – A unique word, phrase or combination of alphabetic, numeric, and non-alphanumeric characters used to authenticate a user ID as belonging to a user.

## *Authorized Users*

The district's technology resources may be used by authorized students, employees, School Board members and other persons such as consultants, legal counsel, and independent contractors. All users must agree to follow the district's policies and procedures. Use of the district's technology resources is a privilege, not a right. No potential user will be given an ID, password, or other access to district technology if he or she is considered a security risk by the superintendent or designee.

## *User Privacy*

A user does not have a legal expectation of privacy in the user's electronic communications or other activities involving the district's technology resources, including e-mail and access to the Internet or network drives. By using the district's network and technology resources, all users are consenting to having their electronic communications and all other use monitored by the district. A user ID with email access will only be provided to authorized users on condition that the user consents to interception of or access to all communications accessed, sent, received, or stored using district technology.

Electronic communications, downloaded material and all data stored on the district's technology resources, including files deleted from a user's account, may be intercepted, accessed, or searched by district administrators or designees at any time in the regular course of business to protect users and district equipment. Any such search, access or interception will be reasonable in inception and scope and shall comply with all applicable laws.

## *Technology Administration*

The Board directs the superintendent or designee to create procedures governing technology usage and to assign trained personnel to maintain the district's technology in a manner that will protect the district from liability and will protect confidential student and employee information retained on or accessible through district technology resources.

Administrators of computer resources may suspend access to and/or availability of the district's technology resources to diagnose and investigate network problems or potential violations of the law or district policies and procedures. All district technology resources are considered district property. The district may maintain or improve technology resources at any time. The district may remove, change, or exchange hardware or other technology between buildings, classrooms, or users at any time without prior notice. Authorized district personnel may install or remove new programs or information, install new equipment, upgrade any system, or enter any system to correct problems at any time.

### *Content Filtering and Monitoring*

The district will monitor the online activities of minors and operate a technology protection measure ("filtering/blocking device") on the network and/or all computers with Internet access, as required by law. The filtering/blocking device will be used to protect against access to visual depictions that are obscene or harmful to minors or are child pornography, as required by law. Filtering/Blocking devices are not foolproof, and the district cannot guarantee that users will never be able to access offensive materials using district equipment. Evasion or disabling, or attempting to evade or disable, a filtering/blocking device installed by the district is prohibited.

The superintendent, designee or the district's technology administrator may disable the district's filtering/blocking device to enable a non-student user access for bona fide research or for other lawful purposes. In making decisions to disable the district's filtering/blocking device, the administrator shall consider whether the use will serve a legitimate educational purpose or otherwise benefit the district.

### ***Closed Forum***

The district's technology resources are not a public forum for expression of any kind and are to be considered a closed forum to the extent allowed by law. The district's web page will provide information about the school district but will not be used as an open forum.

All expressive activities involving district technology resources that students, parents/guardians and members of the public might reasonably perceive to bear the imprimatur of the district and that are designed to impart particular knowledge or skills to student participants and audiences are considered curricular publications. All curricular publications are subject to reasonable prior restraint, editing and deletion on behalf of the school district for legitimate pedagogical reasons. All other expressive activities involving the district's technology are subject to reasonable prior restraint and subject matter restrictions as allowed by law and Board policies.

### ***Records Retention***

Trained personnel shall establish a retention schedule for the regular archiving or deletion of data stored on district technology resources that complies with the *Public School District Records Retention Manual* as well as the *General Records Retention Manual* published by the Missouri Secretary of State. In the case of pending or threatened litigation, the district's attorney will issue a litigation hold directive to the superintendent or designee.

The litigation hold directive will override any records retention schedule that may have otherwise called for the transfer, disposal, or destruction of relevant documents until the hold has been lifted by the district's attorney. E-mail and computer accounts of separated employees that have been placed on a litigation hold will be maintained by the district's information technology department until the hold is released. No employee who has been so notified of a litigation hold may alter or delete any electronic record that falls within the scope of the hold. Violation of the hold may subject the individual to disciplinary actions, up to and including termination of employment, as well as personal liability for civil and/or criminal sanctions by the courts or law enforcement agencies.

### ***Violations of Technology Usage Policies and Procedures***

Use of technology resources in a disruptive, manifestly inappropriate, or illegal manner impairs the district's mission, squanders resources and shall not be tolerated. Therefore, a consistently high level of personal responsibility is expected of all users granted access to the district's technology resources. Any violation of district policies or procedures regarding technology usage may result in temporary, long-term, or permanent suspension of user privileges. User privileges may be suspended pending investigation into the use of the district's technology resources.

Employees may be disciplined or terminated, and students suspended or expelled, for violating the district's technology policies and procedures. Any attempted violation of the district's technology policies or procedures, regardless of the success or failure of the attempt, may result in the same discipline or suspension of privileges as that of an actual violation.

### ***Damages***

All damages incurred by the district due to a user's intentional or negligent misuse of the district's technology resources, including loss of property and staff time, will be charged to the user. District administrators have the authority to sign any criminal complaint regarding damage to district technology.

### ***No Warranty/No Endorsement***

The district makes no warranties of any kind, whether expressed or implied, for the services, products or access it provides. The district's technology resources are available on an "as is, as available" basis.

The district is not responsible for loss of data, delays, non-deliveries, mis-deliveries, or service interruptions. The district does not endorse the content nor guarantee the accuracy or quality of information obtained using the district's technology resources.

### ***Student Users***

Students will be given access to the district's technology resources and upon logging in agree to abide by the district usage policy and procedures.

### ***General Rules and Responsibilities***

The following rules and responsibilities will apply to all users of the district's technology resources:

1. Applying for a user ID under false pretenses or using another person's ID or password is prohibited.
2. Sharing user IDs or passwords with others is prohibited and users will be responsible for using the ID or password. A user will not be responsible for theft of passwords and IDs but may be responsible if the theft was the result of user negligence.

The district prohibits the use of district technology resources to access, view or disseminate information that constitutes insulting or fighting words, the very expression of which injures or harasses other people (e.g., threats of violence, defamation of character or of a person's race, religion or ethnic origin); presents a clear and present likelihood that, because of their content or their manner of distribution, they will cause a material and substantial disruption of the proper and orderly operation and discipline of the school or school activities; or will cause the commission of unlawful acts or the violation of lawful district policies and procedures.
11. The district prohibits any use that violates any person's rights under applicable laws, and specifically prohibits any use that has the purpose or effect of discriminating or harassing any person based on race, color, religion, sex, national origin, ancestry, disability, age, pregnancy or use of leave protected by the Family and Medical Leave Act.

12. The district prohibits any unauthorized intentional or negligent action that damages or disrupts technology, alters its normal performance, or causes it to malfunction. The district will hold users responsible for such damage and will seek both criminal and civil remedies, as necessary.
13. Users may only install and use properly licensed software, audio or video media purchased by the district or approved for use by the district. All users will adhere to the limitations of the district's technology licenses. Copying for home use is prohibited unless permitted by the district's license and approved by the district.
14. At no time will district technology or software be removed from the district premises, unless authorized by the district.
15. All users will use the district's property as it was intended. Technology resources will not be moved or relocated without permission from an administrator. All users will be held accountable for any damage they cause to district technology resources.

### ***Electronic Devices***

Possession of beepers, pagers, radios, MP3, iPod, CD players, laser pointers, portable game players, etc., are not appropriate in a school setting. The school is not responsible for damaged, lost, or stolen items.

### ***Cell Phones***

We recognize that parents may want their student to have a mobile phone for safety reasons. However, mobile phones do present possible disruptions to the educational process. Therefore, appropriate steps must be taken to prevent disruptions.

In general, the following guidelines will be used:

- The mobile phone will be the child's and parent/guardian's responsibility at all times.
- The school is not responsible for damaged, lost or stolen mobile phones.
- The mobile phone will be turned off during the instructional school day.
- If guidelines are violated, the privilege of the mobile phone may be revoked.

### ***Security and Unauthorized Access***

All users shall immediately report any security problems or misuse of the district's technology resources to a teacher or administrator.

No person will be given access to district technology if he or she is considered a security risk by the superintendent or designee.

1. Use of district technology resources in attempting to gain or gaining unauthorized access to any technology system or the files of another is prohibited.

### ***Waiver***

Any user who believes he or she has a legitimate educational purpose for using the district's technology in a manner that may violate any of the district's policies or procedures may request a waiver from the building principal, superintendent, or their designees. In making the decision to grant a waiver to a student, the administrator shall consider the purpose, age, maturity, and level of supervision involved.

### ***Social Media Guidelines for Students***

All student social media accounts (e.g., Facebook, Twitter, etc.) will be PERSONAL accounts. School related pages should be created by school personnel such as an activity sponsor, coach, teacher, or administrator.

- Be aware of what you post online. Social media venues are very public. What you contribute leaves a digital footprint for all to see. Do not post anything you wouldn't want friends, enemies, parents, teachers, or a future employer to see.
- Follow the school's code of conduct when writing online. It is acceptable to disagree with someone else's opinions, however, do it in a respectful way. Make sure that criticism is constructive and not hurtful. What is inappropriate in the classroom is inappropriate online.
- Be safe online. Never give out personal information, including, but not limited to, last names, phone numbers, addresses, exact birthdates, and pictures. Do not share your password with anyone besides your teachers and parents.
- Linking to other Websites to support your thoughts and ideas is recommended. However, be sure to read the entire article prior to linking to ensure that all information is appropriate for a school setting.
- Do your own work! Do not use other people's intellectual property without their permission. Be aware that it is a violation of copyright law to copy and paste other's thoughts. It is good practice to hyperlink to your sources.
- Be aware that pictures may also be protected under copyright laws. Verify you have permission to use the image.
- How you represent yourself online is an extension of yourself. Do not misrepresent yourself by using someone else's identity.
- Blog and wiki posts should be well written. Follow writing conventions including proper grammar, capitalization, and punctuation. If you edit someone else's work, be sure it is in the spirit of improving the writing.
- If you run across inappropriate material that makes you feel uncomfortable, or is not respectful, tell a parent or teacher right away.
- Students who do not abide by these terms and conditions may lose their opportunity to take part in the project and/or access to future use of online tools. Please reference the district's Acceptable Use Policy online at: Policy EHB [View Policy EHB: TECHNOLOGY USAGE \(eboardsolutions.com\)](#)

Also, please refer to Board policy regarding Student Discipline addressing the consequences, including suspension or expulsion, for students whose conduct is prejudicial to good order and discipline in the schools or impairs the morale or good conduct of other students.
