

**DINUBA UNIFIED SCHOOL DISTRICT
RESPONSIBLE USE OF INTERNET AND TECHNOLOGY RESOURCES
CONTRACT FOR STUDENTS AND PARENTS**

TERMS AND CONDITIONS FOR USE

Dinuba Unified School District's Responsible Use of Internet and Technology Resources Contract for Students and Parents (Contract) applies to student use of the Internet and Technology Resources, including computers and Electronic Communication Devices, provided by the District, used on District property, and/or used off campus in connection with District activity or attendance. All such use must be responsible, proper, and supportive of the instructional program for the advancement of student learning. Electronic Communication Devices (ECDs) means any electronic apparatus capable of sending, receiving, reproducing, recording, storing, processing, displaying, and/or transmitting data, voice, text, and/or video/photo images. This generally includes, but is not limited to, cell phones, laptops, netbooks, Chromebooks, Smartphones, tablets, Media Players, memory sticks, and other current and future similar devices.

The Internet offers access to computers and people across the world through, for example, e-mail, chat rooms, and social networking sites. The protection of students is of paramount concern to the Dinuba Unified School District. The District uses a CIPA (Child Internet Protection Act) compliant filter, and school staff monitor and supervise student use of the Internet and District Technology Resources provided by the District and used on District property. However, it is impossible to control access to all material. As a result, users (and parents of users who are students) must understand that neither the DUSD nor its staff members control or condone the content of the information available through the Internet or Technology Resources. Some of the information available through the Internet and Technology Resources is controversial and may be offensive.

Internet and Technology Resources must be used in a responsible, efficient, ethical, legal, and safe manner. Care of electronic devices distributed by DUSD is the responsibility of the student and parent/guardian to which it is assigned. This includes costs associated with damages and lost or theft. The District provides each student free Internet access while on-campus and a District e-mail account for educational/instructional purposes. Each student is responsible at all times for their proper use.

SAFETY For the safety of the students, we suggest that users:

The DUSD reserves the right to monitor all Internet and Technology Resources for improper use. Electronic communications and downloaded material, including files deleted from a user’s account, may be reviewed by District officials to ensure proper use of the system. Note that system operators will have access to all user accounts, including e-mail sent while using the District’s Internet connections. Where legal violations have occurred, law enforcement will be notified and potential criminal charges filed.

VIOLATIONS OF THIS CONTRACT: The principal or designee shall make all decisions regarding whether or not a student has violated this Contract. The decision of the principal shall be final. Irresponsible use may result in cancellation of the student’s user privileges, disciplinary action, and/or legal action in accordance with law and Board policy. **Student Use of Technology BP 6163.4, Administrative Regulation 6163.4**

PARENT/GUARDIAN CONSENT:

I have read the District’s Responsible Use of Internet and Technology Resources Contract for Students and Parents (Contract) and hereby agree to its provisions. I understand that the use of the Internet and Technology Resources can connect students to computers throughout the world and that it is impossible for the District to control access to all material available through the Internet and Technology Resources. When using the Internet or Technology Resources, I realize that students may read or access material that I might consider controversial or offensive.

The DUSD has my permission to give an Internet account to my child. I understand that my child may keep this account as long as the Contract is not violated and that the principal or designee shall make all decisions regarding whether or not a student has violated this Contract.

Care of all instructional materials, including Chromebooks, distributed by DUSD is the responsibility of the student to which they are assigned and his/her parent/guardian. This includes costs associated with damages and loss or theft (California Education Code 48904).
