

# Lynch Hill School September 2023

*Aim high, work hard, care deeply*

# Foreword from Mrs Tomlinson

- ▶ I cannot wait to welcome you all in September and hope that it will be the start of a school year filled with amazing opportunities, new challenges and endless fun.
- ▶ Each day, I feel very grateful and extremely proud that I am the Headteacher of this school: a school where our vision is to '***Aim High, Work Hard and Care Deeply***'. It is important to know that this isn't just an expectation for the pupils, every adult in the school has to do this too. If we are all aiming high, working hard and caring deeply, then Lynch Hill School is a place where anything is possible, where targeted outcomes are achieved and the support and commitment is there to enable everyone to develop, to grow and to experience what success feels like.
- ▶ I want this new school year to be a year where you make the most of all that is on offer at Lynch Hill, where you are able to embrace challenge and one where you feel brave enough to try new things. You are not alone; we are on this journey together.

# A Welcome to Year ...

- ▶ This is a big milestone for your child as it marks the first year of their school journey. Our aim is to give every child the opportunity to achieve their personal best and to develop lively, enquiring minds.
- ▶ We achieve this by providing the children with an enabling environment and support them to engage in topics linked to their interests and the Birth to 5 framework.
- ▶ The children are actively involved in play which allows for spontaneity and encourages purposeful learning.
- ▶ We look forward to sharing your journey with you.

- ▶ Swimming kit (yr3) - plain black or grey swimsuit / trunks, swimming hat and goggles.

# Homework

During your time in Nursery you will have the opportunity to undertake some special tasks set out for you by your teacher. These tasks will be set for you on Tapestry and you may need your grown ups help to complete them.

Grown ups we ask that you keep an eye out on Tapestry for any homework or challenges set for your child by their teacher. They will ask you to upload any pictures or videos of your child completing the challenge.

# Breakfast club, Fun Zone and after school clubs

## Breakfast Club

- ▶ Breakfast club doors are open between 8.00am and 8.25am. The child enters through the double white doors at the end of the Year 1 classrooms.
- ▶ Breakfast club is open to all and can be paid for, in advance, online.

## Fun Zone

- ▶ Fun Zone is an after school supervised club that runs from 3.15pm until 5.45pm. Spaces are limited so places need to be applied for via the school office.

## After-school clubs

- ▶ We offer a variety of after-school activities which can be sport-based, crafts and many others. A letter is sent out prior to each half term to allow you to apply for these.
- ▶ Spaces are limited so giving every child one club per half term is the first priority.

# The school day

- ▶ **A Typical Day:**
- ▶ A typical Nursery session follows this pattern:
- ▶ 8.30 am-8.40am Children arrive and are greeted by the Nursery staff. The children have a short group time with their key worker. For 10 - 20 minutes the children enjoy learning about foundation subjects.
- ▶ 8.50 - 10.40 Children take part in free play inside the Nursery and outside in the garden which is structured to cover the Foundation curriculum. Children have free movement between the two environments and are supported in their learning by the staff. During this time, the children have access to a snack table where they are able to select milk or water and fruit.
- ▶ 11.00 -11.15 Children return to their groups with their key worker for another short, structured carpet session. This may include a story, music time or a circle time.
- ▶ 11.15 The doors are opened by staff and parents come to their children's group to collect them.
- ▶ 11.30 Doors are closed so children must be picked up promptly.
- ▶
- ▶ **This is repeated in the afternoon session which runs from 12.30pm - 3.15 pm (doors will close promptly at 3.30pm).**
- ▶ When collecting your child, please ensure you are ready to greet them with a large smile and a keen interest in knowing what they have been doing over the 3hour session and keep your mobile phones stored safely in your bag or pocket. That phone call can wait - your child's news can't!

# Trips?

- ▶ We are fortunate to have a lovely farm that visit the Nursery children here at school. It provides an educational, safe and secure hands on experience for the children. It allows the children be inquisitive with their questions and for some children overcoming fears.
- ▶ We have a vegetable patch within the school grounds. It is always nice for the children to walk over and have a look at what is growing. This visit is linked to our planning.

# FAQs

- ▶ How was my child levelled at the end of last year?
  - ▶ Last academic year we gave the children a predicted grade based on their performance up to March 2020. This is to allow their new teachers an awareness of their ability and plan accordingly.
- ▶ What is going to happen to Year 2 and Year 6 SATS?
  - ▶ Currently the department for education has not given out guidance how what assessment will take place at the end of the academic year in July 2021. As soon as we have been informed we will communicate this with parents.
- ▶ Will there be parent interviews this year?
  - ▶ We have scheduled in these and will ensure appropriate safety measures are in place prior to these taking place. If there is any change to these plans, we will communicate this to the parents as soon as we are able.

# FAQs continued...

## **Do I need to bring a snack for my child?**

No. We provide milk and fruit for every child in Nursery.

## **My child isn't potty trained what shall I do?**

While we will do everything we can to support you child through their toileting needs. We advise you to use the time at home to start the process. You child will feel more comfortable with you at home.

## **Can I provide resources for the Nursery?**

While this is a lovely idea we ask if the parent could contribute £1 a week to a fund which provides many extra consumables that young children use at school. This includes cooking and arts activities. It also funds additional toys and equipment for the department.
