

NO TOBACCO, PLEASE

In compliance with state law, the use of all tobacco products on any and all school district property is prohibited. This includes such areas as football and baseball fields and bleachers, parking lots, and walkways which are owned by the district. Further, it applies to all people, not just students.

As you have in the past, we ask that you continue to show a high level of understanding and cooperation as may pertain to the requirements of this law. The example set by adults is one that will be modeled by students.

As per Board Policy #7434, the "use of tobacco" means to chew or maintain any substance containing tobacco, including smokeless tobacco, in the mouth to derive the effects of tobacco, as well as all uses of tobacco, including cigars, cigarettes, pipe tobacco, chewing tobacco, snuff, any other matter or substances that contain tobacco, in addition to papers used to roll cigarettes and/or the smoking of electronic, "vapor," or other substitute forms of cigarettes, clove cigarettes and any other lighted smoking devices for burning tobacco or any other substance, as well as substitute forms of chewing tobacco.
