Volunteers Welcome!

An extra hand is always needed and welcomed at the Family Resource Center of the Redwoods.

In an effort to provide as many services and supports as possible to children and families in our community, we are often stretched thin.

Due to the nature of this amazing program, all volunteer tutors must go through a series of trainings and background checks prior to working with the students. These include but are not limited to Mandated Reporter Training, Cultural Competence, Resilience Training, Trauma Informed Care, IEP/504 Training, Secondary Trauma, Culture of Foster Care, and More !

Please call us at **707-464-0955** for details on how you can help the Academic Achievement Program.

Academic Achievement is a partnership program between the Family Resource Center of the Redwoods, CASA of Del Norte, and the Del Norte County Office of Education, generously funded by the Philanthropic Fund of the Caldwell Family.

Thank you for your continued support of children and families in Del Norte County.
