

# RIVER VALLEY HIGH SCHOOL

100 School Lane, Blairsville, PA 15717

Mr. Michael Leasure, Principal

October 11, 2023

Dear Parents/Guardians,

This year, River Valley Schools will continue to participate in the **Power Pack Program**. This program is a collaboration between the River Valley School District and the Indiana County Community Action Program (ICCAP) and their supporters. **Power Pack is open to all families who have a need**, and will be provided at no cost to the families in our district.

Students enrolled in Power Pack will receive a bag of nonperishable food approximately four times per month. Bags will be distributed on Fridays, or before school breaks. It is intended that the food will provide breakfast and lunch for the weekends.

To enroll, please complete the bottom portion of this sheet. If you have multiple students in the district, you may list them on the same slip. If you have any questions regarding the Power Pack Program, contact Ms. Buffone at her email address below. **Please return all forms to the middle school guidance office.**

Sincerely,

Ms. Tammy Buffone  
River Valley MS/HS School Counselor
