MEMORANDUM FOR RECORD

Date: 7 September 2023

SUBJECT: IL-20051 Issued T-Shirt Guidance

1) The following guidance applies to AFJROTC IL-20051 issued informal blue cadet t-shirt. The informal uniform is designed to be worn during unique functional events such as volunteer events, parade participation or traveling. AFJROTC IL-20051 will issue one informal blue cadet t-shirt at the start of the program. The following guidance applies to AFJROTC IL-20051 cadets while wearing the informal blue cadet t-shirt for Corps events and activities:

- a) Pants/Shorts/Skirts: Will fit naturally over the hips and have belt loops attached. Pants, shorts, or skirts will be neat, clean with no visible rips, tears, or stains. Examples include dress slacks, khakis, blues jeans, or shorts/skirts that meet the requirements listed in this section and in accordance with OTHS dress policy.
- b) Belts: Conservative in color and appearance. Examples of acceptable colors are black, brown, gray, and dark blue.
- c) Shoes: Closed toe tennis shoes, dress shoes or boots which are conservative in color. Examples of acceptable colors are black, brown, gray, and dark blue.
- d) Socks: Conservative in color and appearance without design/visible Logos. Examples of acceptable colors are black, white, brown, gray, and dark blue.

2) The IL-20051 Senior Aerospace Science Instructor will determine if an individual's personal grooming is within the standards of this guidance. The personal grooming standards listed are minimum standards that represent common appearance issues and are not all-inclusive. Although cadets have the right, within established limits, to express their individuality through their appearance, the IL-20051 SASI has defined what is and what is not acceptable, to maintain a professional image of the Corps.

3) Please direct questions concerning this dress guidance to the O'Fallon Township High School AFJROTC office at afjrotc@oths.us.

Very Respectfully,

DEANNA VIOLETTE, Col, USAF (Ret)
Senior Aerospace Science Instructor

Col Deanna Violette, USAF (Ret)
Senior Aerospace Science Instructor

SMSGT Branden Neeley, USAF (Ret)
Aerospace Science Instructor
