REPORTING WORK INJURIES

WHEN SOMEONE IS INJURED AT WORK . . .

- If it is an **EMERGENCY – CALL 911**
- Otherwise, the employee and supervisor should call (855) 675-3501 together (if no supervisor is available, the employee can call alone).
- Do this as soon as possible after you learn of an injury.
- The Registered Nurse who answers will ask what happened and recommend what to do next, whether it is self-care, urgent care or even the emergency room.
- The nurse will report the injury to SFM, your workers' compensation insurer. You "do not" need to fill out a First Report of Injury (FROI) form.
