The Governing Board Believes that the identification of homeless students is critical to improving the educational outcomes of such students and ensuring that homeless students have access to the same free and appropriate public education provided to other students within the district. The district shall provide homeless students with access to education and other services necessary for these students to meet the same challenging academic standards as other students.

Homeless students shall not be segregated into a separate school or program based on their status as homeless and shall not be stigmatized in any way. (42 USC 11432, 11433)

If the student moves outside of district boundaries, but continues to attend his/her school of origin within this district, the Superintendent or designee shall consult with the superintendent of the district in which the student is now residing to agree upon a method to apportion the responsibility and costs of the transportation.
