The PMS fall dance will be on Friday, October 27th. Students are excited to have a chance to be social and have a good time!

The first PMS Bulltique was a huge hit as students were eager to cash in on tickets they received for being responsible, resilient, and respectful. Keep up the good work!

Officer Gills has been giving DARE lessons with 6th graders and is now moving into 7th grade. These lessons focus on real-life decisions to make positive choices to create a foundation for a strong future!

WHRO recently came to PHS to film our One Lunch program! We are excited for this highlight to share the wonderful opportunities our students have because of it. Look for that vignette soon!

PHS sports have been doing really well as they gear up for post-season. A big shout out to Varsity Golf, who won the region title and went on to get 4th place in the state!

The PHS Veterans Project is underway with the first gathering of Veterans and their matched students. Veterans will also be highlighted at our Homecoming football game on Oct 13th!

District

After just receiving the final student performance results (SOL's) from the 2022-23 SY, we are excited to announce that Poquoson Schools' overall composite score ranks us 4th in the state. Congrats to our staff and students for all of their hard work!!!

The PCPS Child Find event was a tremendous success with record turnout. We are grateful to be able to host this opportunity for our region to screen our youngest citizens for hearing, vision, speech, language, and overall development.

The PEF "Run for the Bulls" is coming up on October 28th. This event directly benefits our students and we encourage any and all to participate!

Please look for our Impact Aid Forms which will be sent out October 18. The data derived from this brief survey brings in significant funding for our school division!
