

Dear Parents and Students:

Welcome to J. E. Terry Elementary School! The faculty and staff of J. E. Terry Elementary look forward to an exciting and successful 2020-2021 school year! We are honored to work with the parents, students and community members to better serve our students. It is essential that parents are informed and involved to promote a positive school culture.

We have several ways that parents can be involved at our school:

- A. Serve on various school committees
- B. Volunteer in the classrooms and/or at school sponsored events
- C. Participate as an active member of the Parent Teacher Organization (PTO)
- D. Secure essential funding for school-sponsored events and activities
- E. Raise funds to support the educational programming of the school

Stay informed!

Join our school Remind account to receive school announcements. To join, text @jetschool to the number 81010. Click the Remind icon at the top of our homepage for more information.
