

Continuous Improvement Plan 2019-2020

Tipton Middle School

Vision

We're committed to providing quality education while fostering the whole child intellectually, socially, & emotionally.

Mission

We will successfully prepare students for high school by encouraging learning, critical thinking, and creativity.

Beliefs

- Students should receive a good education while learning in a safe environment.
- Students should learn to work effectively and collaboratively with others.
- Parents should be actively engaged in the learning process.
- Students should be able to communicate effectively through oral and written expression.

CSI Student Achievement

Objectives

- The student body will demonstrate an academic growth of 200 points in reading by April of 2020.
- The student body will demonstrate an academic growth rate of 150 points in Math by April of 2020
- Teachers will improve instructional practices through in-house professional development.

Critical Initiatives

- All teachers will focus on reading and literacy for an additional 30 minutes of instruction each day while also delivering explicit instruction using strategic teaching strategies in core classes.

Changing the Culture

Objectives

- The objective is to improve the school by changing the culture and climate for students and staff.

Critical Initiatives

- Teachers will become a member of our very own Professional Learning Community (PLC) and undergo in-house professional development through a book study of Change the Culture, Change the Game.

Attendance Matters

Objectives

- Students will understand the importance of attending school daily as a benefit to a good education.

Critical Initiatives

- We will use data to provide weekly attendance reports to teachers and students to promote attendance awareness thereby also recognizing the top three homerooms for each week.

Parent Engagement

Objectives

- Stakeholders will become actively engaged in opportunities that will build relationships.

Critical Initiatives

- We will provide monthly Parent Engagement opportunities to stakeholders in order to build relationships and promote the unity among administrators, parents, teachers, and students.

Critical Initiatives
<ul style="list-style-type: none"> • Students will receive explicit and engaging math instruction that will be purposely planned and strategically delivered. • Teachers will become teacher leaders and participate in-house professional development that focuses on Strategic Teaching Strategies in order to deliver better quality instruction.

Critical Initiatives

Critical Initiatives
