

2020-2021 Southside Primary School ACIP

Southside Primary School

Vision

Southside Primary's vision is to optimize student learning through data driven collaboration and hands on learning.

Mission

The mission is to prepare students for a lifetime of learning by focusing on development of the whole child.

Beliefs

All students can learn.
Each student is a valuable unique individual.
Each student learns differently and should be supported through differentiated instruction.
Each student's self-esteem is enhanced by positive relationships and mutual respect among stakeholders.
Feeling safe promotes student learning

Reading

Objectives

- Provide more individualized opportunities to support student readiness in reading.

Critical Initiatives

- Explicit and systematic literacy instruction that focuses on foundational skills taught in the context of meaningful, level-appropriate text.
- Provide targeted professional learning for instructional staff in the area of the science of reading.

Math

Objectives

- Provide more individualized opportunities to support student readiness in math.

Critical Initiatives

- Invest in curriculum materials aligned with the ACOS to support instructional practices.
- Provide professional learning to support staff with best practices as it relates to the new math course of study.

Culture

Objectives

- Provide proactive communication and involvement opportunities for parents and community.

Critical Initiatives

- Develop and implement parent engagement opportunities.

ATSI

Objectives

- Provide opportunities to increase academic improvement among Tier II and III students.

Critical Initiatives

- Provide extended learning opportunities.
