

Thank you for your interest in becoming a Local Governor in a University of Brighton Academies Trust academy.

In our Trust we work collaboratively to help our pupils, and everyone connected to our academies achieve excellence.

By working together and sharing ideas, insights and best practice, our academies support each other to improve. We value our staff, investing in their training and development at all stages of their careers.

It is important to us that our academies have a positive impact on their communities and that pupils understand the role they can play in the wider world. We also work to ensure that parents and carers are actively engaged in their child’s learning

The Local Governors play a hugely important role in helping the Trust to achieve their vision by overseeing pupil well-being, ensuring that the achievements of staff and pupils and students are celebrated and identifying ways to keep the academy at the heart of the community.

All nominated Local Governors are subject to the approval of the Board of Trustees.
