Bond Issue Update

2023 BOND ISSUE

The CLSD will place a
7.5 mill Bond Issue
on the
November 7, 2023 ballot

BREAKING NEWS!!

Ballot Language

\$263 per year
on a \$100,000
of appraised
home value.

PROPOSED BOND ISSUE
Canfield Local School District

A majority affirmative vote is necessary for passage

Shall bonds be issued by the Canfield Local School District for the purpose of constructing, furnishing and equipping a new elementary school and a new middle school, renovating, rehabilitating, remodeling, constructing, adding to, furnishing, equipping and otherwise improving other School District buildings and facilities, including the high school, and acquiring, cleaning, equipping and otherwise improving sites for those School District buildings and facilities in the principal amount of \$104,955,000, to be repaid annually over a maximum period of 37 years, and an annual levy of property taxes be made outside the ten-mill limitation, estimated by the county auditor to average over the repayment period of the bond issue 7.5 mills for each \$1 of taxable value, which amounts to \$263 for each \$100,000 of the county auditor's appraised value, commencing in 2023, first due in calendar year 2024, to pay the annual debt charges on the bonds, and to pay debt charges on any notes issued in anticipation of those bonds?

☐ For the Bond Issue

☐ Against the Bond Issue

UPDATE: Reappraisal

According to the County Auditor:

- 30% increase in market value of your home DOES NOT equal a 30% increase in property tax
- Voted millage DOES NOT bring in additional funds due to reappraisal
- The increased valuation will cause the millage to be REDUCED to generate \$105 million....effective 2024.
