"AITE really helped me in terms of their specialized classes that they offer. You can take anything from entrepreneurship to animation and engineering. Those courses helped me to decide what I was really interested in."

"AITE has prepared me for the future and exposed me to the world. Through AITE's partnership with CIEE I traveled to Italy, Spain and France and earned college credit."

"The small school environment allows you to focus on your passion. I took a really fun course, the Forensic Psychology class, where we were challenged to solve a crime by doing fingerprints, blood work and problem solving. It's now my major in college."

AITE is a school of choice for students throughout Fairfield County including Norwalk, Darien, New Canaan, Greenwich, Bridgeport, Westport, Ridgefield, Weston, and Wilton. Free transportation is provided.

AITE IS CURRENTLY ACCEPTING APPLICATIONS FOR THE 2024-25 SCHOOL YEAR. APPLICATIONS DUE BY JANUARY 16, 2024.
