Required Communications and Other Matters

Required Item	Comments
Auditor's responsibility under professional standards and planned scope and timing of the audit	<p>We have communicated such information in our engagement letter to you dated May 7, 2019. Generally, these responsibilities include:</p> <ul style="list-style-type: none"> • Forming and expressing an opinion on the financial statements. • Obtaining <i>reasonable assurance</i> that the financial statements are <i>free of material misstatements</i>, whether caused by error or fraud. • Accumulating and communicating uncorrected misstatements to Those Charged with Governance ("TCWG"). • Maintaining professional skepticism. • Communicating audit related matters that are, in our professional judgment, significant to TCWG.
Supplementary information accompanying the financial statements	<p>Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the School District's basic financial statements. The supplementary information is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.</p>

Required Item	Comments
Required supplementary information accompanying the financial statements	We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.
Other information in documents containing audited financial statements	Our responsibility as auditors for other information in documents containing the audited financial statements does not extend beyond the financial information identified in the auditors' report, and we are not required to perform any procedures to determine that such other information is properly stated.
Our responsibilities under the Yellow Book	In connection with our audit we performed tests of the School District's compliance with certain provisions of laws, regulations, contracts, and grants. However, the objective of our tests was not to provide an opinion on compliance with such provisions.
Our responsibilities under Uniform Guidance (Federal Single Audit)	In accordance with Uniform Guidance, we examined, on a test basis, evidence about the School District's compliance with the types of compliance requirements described in the "U.S. Office of Management and Budget ("OMB") Uniform Guidance Compliance Supplement" applicable to each of its major federal programs for the purpose of expressing an opinion on the School District's compliance with those requirements. While our audit provided a reasonable basis for our opinion, it does not provide a legal determination on the School District's compliance with those requirements.

Required Item	Comments
Responsibilities of management and TCWG	<p>Management's responsibilities include:</p> <ul style="list-style-type: none"> • The fair presentation of the financial statements, including the selection of appropriate accounting policies. • Establishing and maintaining effective internal control. • Complying with laws, regulations, grants and contracts. • Providing the auditors with all financial records and related information and a signed representation letter. • Evaluating if there are any conditions or events, considered in the aggregate that raise substantial doubt about the School District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter. • Setting the proper tone at the top. • Designing and implementing policies and controls to prevent and detect fraud. <p>TCWG are responsible for communicating with the auditors and overseeing the financial reporting process.</p>
Qualitative aspects of accounting practices - Accounting Policies	<p>Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies are described in Note 1 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during the year, except for the adoption of Governmental Accounting Standards Board Statement No. 96, "Subscription Based Information Technology Arrangements" ("SBITAs"). The School District evaluated the impact of the statement and determined the amounts were not material to the financial statements.</p> <p>The accounting policies of the School District conform to U.S. generally accepted accounting principles as applicable to state and local governments. The School District's reports are based on all applicable GASB pronouncements.</p> <p>We noted no transactions entered into by the School District during the year for which there is a lack of authoritative guidance or consensus.</p> <p>All significant transactions have been recognized in the financial statements in the proper period.</p>

Required Item	Comments
Qualitative aspects of accounting practices – Significant Unusual Transactions	No matters have come to our attention that would require us to inform you about the methods used to account for significant unusual transactions.
Qualitative aspects of accounting practices - Accounting Estimates and Management's Judgment	<p>Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events.</p> <p>Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the School District's financial statements were:</p> <ul style="list-style-type: none"> • Actuarial assumptions related to the Other Postemployment Benefit Liability ("OPEB") • Actuarial assumptions and proportionate share calculations related to pension liabilities • Asset lives for depreciable capital assets • Estimates of certain receivable balances and allowances for uncollectible amounts • Estimates for certain operating and long-term liabilities
Qualitative aspects of accounting practices - Financial Statement Disclosures	<p>Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements are:</p> <ul style="list-style-type: none"> • Other postemployment benefit liabilities • Pension plan information • Outstanding bonded indebtedness • Fund balances <p>The financial statement disclosures are neutral, consistent and clear.</p>
Going Concern	<p>The auditor is required to communicate with TCWG events or conditions that, when considered in the aggregate; indicate a substantial doubt about the School District's ability to continue as a going concern for a reasonable period of time.</p> <p>We concur with management's assessment that the School District will continue as a going concern for one year from the balance sheet date.</p>

Required Item	Comments
Significant Risks	<p>In most audits, one or more of the following significant risks normally arise:</p> <ul style="list-style-type: none"> • Management override of internal controls • Improper revenue recognition to due to fraud <p>The audit procedures applied as a result of the aforementioned significant risk were designed to and have reduced the risk of material misstatement to low.</p>
Difficulties encountered in performing the audit	<p>We encountered no significant difficulties in dealing with management in performing and completing our audit.</p>
Corrected and uncorrected misstatements	<p>Professional standards require us to accumulate all known and likely misstatements identified during the audit (including passed adjustments and omitted financial statement disclosures), other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements.</p> <p>In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to each opinion unit's financial statements taken as a whole.</p>
Disagreements with management	<p>For purposes of this communication, a disagreement with management is a matter, whether or not resolved to our satisfaction, concerning financial accounting, reporting, or auditing, which could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of the audit.</p>
Management representations	<p>We have requested certain representations from management that are included in the management representation letter (see Appendix 2).</p>

Required Item	Comments
Management's consultations with other accountants	In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the School District's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.
Auditor independence	We affirm that PKF O'Connor Davies, LLP is independent with respect to the School District in accordance with relevant professional standards.
Significant issues discussed with management prior to retention	We generally discuss with management a variety of matters, including the application of accounting principles and auditing standards with management each year prior to retention as the School District's auditor. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Pelham Union Free School District, New York ("School District") internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School District's internal control. Accordingly, we express no such opinion.

Professional standards require that we communicate to you, in writing, all significant deficiencies and/or material weaknesses in internal control that we identify in performing our audit. For this purpose, deficiencies in internal control are categorized as follows:

- A **deficiency in internal control** exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis.
- A **material weakness** is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the School District's financial statements will not be prevented, or detected and corrected, on a timely basis.
- A **significant deficiency** is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies, or material weaknesses and, therefore, there can be no assurance that all such deficiencies have been identified.

We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above.

However, we share for your consideration on the following pages other observations about the internal control and operations.

This communication is intended solely for the information and use of management and others charged with governance and is not intended to be and should not be used by anyone other than these specified parties. We will be pleased to discuss these communications and comments in further detail at your convenience, or to assist you in implementing the recommendations.

Control Deficiencies

- **Extraclassroom Activities**

Extraclassroom activity funds are defined as funds raised other than by taxation in the name of a school student body. These funds are operated by and for the students and are an integral part of the educational program of the School District. As part of our audit, we have reviewed, evaluated and tested the Extraclassroom Activity Funds. The results of our tests disclosed the following weaknesses:

Inactive Funds

Extra-classroom Activity Funds - eleven clubs, Do It Yourself Club ("DIY") \$150 (was also inactive last year), Door-HS Honor Society \$674, Military History Club \$72, Peer Leadership \$68, Pel Mel-Newspaper Club \$313, Science Research Club \$485, ST for Refugees \$12, OP Smile \$41, Mental Health Club \$383, Conservation Club \$66, and JCC \$1 – no activity for the year.

Recommendation

We recommend that these accounts be removed if they remain inactive during next year and have the funds transferred to active clubs.

Cash Receipts

During our testing of the Middle School's cash receipts, we noted that two receipts were not deposited within 72 hours of receipt by the District.

Recommendation

We suggest that procedures be implemented to ensure that all receipts are deposited within 72 hours of receipt by the District.

On the Horizon

GASB Statement No. 101 – *Compensated Absences*

Under this Statement, the liabilities for compensated absences is required to be recognized for (1) leave that has not been used and (2) leave that has been used but not yet paid in cash or settled through noncash means. A liability should be recognized for leave that has not been used if (a) the leave is attributable to services already rendered, (b) the leave accumulates, and (c) the leave is more likely than not to be used for time off or otherwise paid in cash or settled through noncash means.

The Statement establishes guidance for measuring the liability for leave that has not been used, generally using an employee's pay rate as of the date of the financial statements. Measurement for the liability for leave that has been used but not yet paid or settled should be measured at the amount of the cash payment or noncash settlement to be made.

The Statement does allow recognition of certain types of compensated absences until the leave commences, including parental, military and jury duty leave.

Further, the Statement amends the existing requirement to disclose the gross increases and decreases in a liability for compensated absences to allow governments to disclose only the net change in the liability, as long as it is identified as a net change. In addition, governments are no longer required to disclose which governmental funds typically have been used to liquidate the liability for compensated absences.

Governments should review this standard early to anticipate what changes might need to be made to policies, accounting procedures, laws and regulations. The provisions of this Statement are **effective for fiscal years beginning after December 15, 2023 (i.e., the School District's financial statements for the year ended June 30, 2025).**
