Dear Parent(s)/Guardian(s):

Your child is attending a school receiving Title 1 federal funds through the Elementary and Secondary Education Act (ESEA). At the beginning of each school year, local educational agencies receiving Title I funds are required to notify parents whose student(s) attend a Title I school that they may request, and be provided information regarding the professional qualifications of the student's classroom teachers in a timely manner. Information provided upon a request, will include at a minimum:

1. Whether the student's teacher
  - a. Has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
  - b. Is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
  - c. Is teaching in the field of discipline of the certification of the teacher.
  
2. Whether the student is provided services by paraprofessionals and, if so, their qualifications.

If you would like to request information, please contact your school office.

Sincerely,

Dry Creek Joint Elementary School District
