SEPTEMBER IS ATTENDANCE AWARENESS MONTH

The month of September is attendance awareness month.

The Homer High School Staff recognizes how important attendance in school is and the effects that chronic absences can have on students' school performance. Just missing two days a month would mean your child missed 10% of the school year—that 10% of information that your child would have missed.

We understand that students get sick and may need to miss a day or two. Please communicate with the school and teachers so your child can stay on top of work while sick.
