

Notice to Parent or Guardian for Emergency Administration of Unassigned Epinephrine Auto-Injectors

Dear parent or guardian:

In accordance with Chapter 38, Subchapter E of the Education Code, the Board of Weslaco Independent School District has adopted a policy to allow authorized (*school personnel and/or school volunteers*) who have been adequately trained to administer an unassigned epinephrine auto-injector to a person who is reasonably believed to be experiencing an anaphylactic reaction.

Authorized and trained individuals may administer an epinephrine auto-injector at any time to a person experiencing anaphylaxis on a school campus.

The District will ensure that at each campus a sufficient number of school personnel and volunteers are trained to administer epinephrine so that at least one trained individual is present on campus during regular school hours and whenever school personnel are physically on site for school-sponsored activities.

If you have any questions regarding this notice, please feel free to call:

Sincerely,

Dr. Richard Rivera, Superintendent
