

# HUSD

## Technology Standards

## 2023-2024 School Year

(Revised October 2023)

# INTRODUCTION

These are District Standards for the following: Workstations, Laptops, Chromebooks, Display Monitors, Projectors, Printers and Document Cameras as determined by the HUSD EIT department effective October 2023.

All of these items and prices are based on contracts awarded by the Board.

White glove service has been included where it is required. White Glove Service includes imaging, asset tagging, loading google management and items will be delivered “ready to use”.

Current lead times will vary based on current market trends and events.

If you want to order something as an alternative to the items in this catalog, you must get approval from the Director of EIT. To reduce delays in approval routing, get your approval in an email and attach it with your quote to your VR.

Please see instructions below for placing your orders. If you have any questions, please contact the purchasing department:

- Victoria Coronado [vcoronado@husd.us](mailto:vcoronado@husd.us) ext. 72620
- Charles [Dex] Dexter [cdexter@husd.us](mailto:cdexter@husd.us) ext. 72531
- Rose Garcia [rosegarcia@husd.us](mailto:rosegarcia@husd.us) ext. 72720

## INSTRUCTIONS FOR ORDERING:

1. All EIT Standards in this catalog can be ordered via Escape Online Shopping.
2. The description, part numbers, prices will be transferred into your Vendor Requisition when you check out and “Get your online shopping cart”.
3. For items that are assets, flag “Yes” in the Create Asset field and select the appropriate asset group and asset category.

For Exceptions:

1. Exceptions are not ordered via online shopping.
2. If EIT has approved an exception submit a General Requisition in Escape.
3. You must attach the email with EIT approval to your vendor requisition.
4. Attach your quote from the vendor.
5. Enter a clear description (including the part number) of what you are ordering.
6. For items that are assets, flag “Yes” in the Create Asset field and select the asset group and asset category.

*\* Remember that the account string must be added to each line item when there are assets in the order. Consider ordering assets on a separate VR from expense items.*

**\*\*\*** Desktop and Chromebook unit prices include applicable white glove service, Google management license, imaging, 3-year warranty, CA recycle fee, delivery and sales tax.

---

## DESKTOP WORKSTATION

### Lenovo Desktop ThinkCentre M70q Gen 2 Tiny
