

## CHAPIN ELEMENTARY SCHOOL

### Committed to Excellence for *all* Students

Dear Parent/Guardian:

Chapin Readers is a reading program open to all CES students where parents and community volunteers come to CES on a weekly basis and read to CES students. Reading is fundamental in all aspects of learning and we are thrilled that this will offer our students more time reading and being read to. Each parent and community volunteer goes through an approval process through Lexington Richland School District 5. The volunteer approval process can be found here: <http://www.lexrich5.org/departments.cfm?subpage=54392>

With your permission, your child will be paired with an approved volunteer to read with in the CES Library or his/her classroom. If you would like to provide your child the opportunity to be a part of this amazing program, please sign and return the attached form below. If you have any questions at all please contact me.

Sincerely,

**Jess Hutchinson**
