

Chapin High School

Academic Leadership Academy

Choose Your Passion! Chase Your Dreams! Change the World!

The ALA experience

ALA students are innovative collaborators, researchers, and presenters who challenge and debate existing data and theories.

ALA students reflect on their understanding of their world and challenge themselves to investigate problems in order to create positive change.

ALA students seek to affect positive change in themselves, each other, their school, and their community.

Capstone High School Program:

The AP Capstone Diploma™ is increasingly recognized in admissions by higher education institutions around the world and receives credit similar to IB in college placement decisions. Students complete both AP Seminar and AP Research as well as 4 other AP classes of their choice during their 4 years of high school.
