### Fifth Grade Learning Games

FREE iOS and Android

Teach important 5th Grade subjects with 10 fun and interactive games! Advanced subjects such as fractions, pre-algebra, exponents, root words, and reading comprehension are made easy and entertaining. All 10 games are designed using real Fifth Grade curriculums and are modeled after the state adopted standards. These lessons are perfect for kids about to enter 5th grade, or for current 5th graders who need a bit of help mastering a specific lesson.

### Preschool and Kindergarten Learning Games

FREE iOS and Android

Educational games that will keep your preschool and kindergarten age kids entertained while they are learning! Helpful voice narrating, colorful graphics and great sound effects will help your kids learn letters, spelling, math, and more!

### Word Search For Kids

FREE iOS

Awesome word search puzzles for both big and small kids. This is an excellent educational game for kids which will keep them engrossed for hours and sharpen their minds as well. Small kids will learn new words - spell, speak, identify. Kids have to find the given words from the grid by simply swiping their fingers across, down, diagonally or reverse.

### Splash Math – Grades 1-5

FREE iOS and available at <https://www.splashmath.com/>

Splash Math Grades 1 to 5 app is a collection of fun and interactive math problems aligned to Common Core Standards. The app reinforces math concepts with self-paced and adaptive practice anytime, anywhere (works on iPad, laptops and desktops)

### Comic Head Lite

FREE iOS and Android

We all love to tell stories, share our experiences, comment on issues that affect us and tell our friends about places we visited. Comics Head enables you to do all of it in a visually compelling format - comics and photo journals. You needn't be an artist!

### Math Bingo

\$0.99 iOS and Android  
-5 BINGO games: Addition, Subtraction, Multiplication, Division and Mixed  
-3 Different levels of difficulty

### Mad Libs

FREE iOS  
The classic word game comes to the iPad. Students can practice their parts of speech and stretch their vocabularies loving the funny payoff that is generated at the end.

### Grammaropolis

FREE iOS and Android

This app has been called Schoolhouse Rock for the 21st Century. The parts of speech are animated characters whose personalities match their function from the sly pronoun always trying to replace the noun to the conjunction who just wants everyone to get along. Students earn badges after following a curriculum map that includes songs, books, videos, and quizzes.
