Parent Involvement Policy – District Written Policy

District Five encourages, supports, and values the participation and involvement of parents and families in the educational experiences of their children. The District recognizes each parent as their child's first teacher and acknowledges the powerful influence of parents on their child's life. The District, therefore, is committed to developing family-friendly schools, offices, and programs to welcome and serve parents and families in positive and supportive environments.

Parents are involved in the development of the LEA (Lead Education Agency) plan and the process of school review and improvement by being part of a planning team that develops an overall Parent Involvement Policy. In addition, all parents are surveyed. This plan is distributed to all parents with children participating in Title I schools and to the community at large. An annual evaluation of the effectiveness of parent involvement will be conducted.

District Office staff provides technical assistance, coordination, and support to participating Title I schools. To assist these schools, District Office staff will be available to assist in the writing of the Title I grant, assist in procurement, attend school improvement/renewal team meetings, assist the schools in implementing effective parent involvement activities and Parent-Teacher organization meetings. Additional responsibilities will be to provide assistance in any area requested to bring about school improvement and increase parental involvement. The District will assist each school in the development of a school-level Parent Involvement Policy. District Office staff will also see that state and federal guidelines are followed.

The schools and parents will build the capacity for strong parental involvement by entering into School-Parent-Student Compacts with staff and families of students attending Title I schools. Compacts are signed by the Principal, Teacher, Parent, and Student. Efforts to increase parent involvement will also include annual conferences to accommodate varied family schedules. In addition, an annual meeting for parents/families of students served in Title I schools will be held to provide information on Title I legislation, instructional programs and the desired outcomes for students of Title I Targeted Assistance schools. Parents will impact policy-making via opportunities to serve on School Improvement Councils, completion of parent surveys, preview of Title I plans in each school Media Center and/or serving as mentors or through other volunteer efforts. Schools will provide a number of Parenting activities during the year such as Technology, Literacy, Math/Science, Fine Arts, Testing, Cultural Celebration, Academic Information, and other student performance/academic presentations.

The Parenting Program served through Title I will coordinate and join together with other programs by inviting parents to attend parenting classes, Adult Ed classes, workshops and seminars offered by the District and/or state. Additional efforts will be made to work with other community programs to provide information and assistance regarding Title I Targeted Assistance programs.

Regarding funding, the District will reserve not less than one percent (1%) of the total Title I allocation to carry out parental involvement to include family literacy and parenting skills. In addition, each school will reserve at least 5% of their Title I allocation for funding Parent activities.
