

# Science/Social Studies

<p><b>PebbleGo.com - choose a topic under government to read and look for interesting facts. Write three sentences to tell about what you learned.</b></p>	<p><b>PebbleGo.com - Research a US President.</b></p>	<p><b>STEM - Make something useful out of trash. Describe your invention</b></p>	<p><b>Watch the BrainPop Jr. Video and take a quiz at the end.</b> <a href="https://jr.brainpop.com/socialstudies/citizenship/ussymbols/">https://jr.brainpop.com/socialstudies/citizenship/ussymbols/</a></p>
<p><b>Follow the link then choose an interesting science lesson to follow.</b> <a href="https://mysteryscience.com/school-closure-planning">https://mysteryscience.com/school-closure-planning</a></p>	<p><b>March 18 is South Carolina Day in honor of John C Calhoun's birthday. Watch the video found at this link to learn about our state. HomeschoolPop: South Carolina</b> <a href="https://www.youtube.com/watch?v=JmhK2mcge-E">https://www.youtube.com/watch?v=JmhK2mcge-E</a></p>	<p><b>South Carolina is stronger when we work together. Let's celebrate our state's birthday as a united community and demonstrate to the world what happens when South Carolinians work together to move our state forward. Come up with a list of ways you can work in your community to help others and make South Carolina stronger.</b></p>	<p><b>Find out who our National, State and Local leaders are. (President, Vice President, Governor, Lt. Governor, Mayor)</b></p>
<p><b>Work on making your items for Market Day.</b></p>	<p><b>STEM - Make a paper airplane. Fly it and measure the distance it flies. Repeat this 2 more times. Record your measurements. Try to change your airplane in a way that you think will make it fly farther. Measure and record 3 flights.</b></p>	<p><b>2nd Grade students are learning about the ways that changes have occurred in the local community over time. Students can interview a family member or neighbor who has lived in our community for a while. They will ask them how has our community stayed the same and also what has changed. Write about what you learned about the changes in our community.</b></p>	<p><b>SS- Watch Brain Pop Jr video on Goods and Services. Take the quiz at the end. Make a list of as many goods and services you can think of.</b></p>
<p><b>Create your own idea for a business. Make a list of things you would sell and create an advertisement for your business.</b></p>	<p><b>Create your own advertisement for a food you like.</b></p>	<p><b>What can you do with a cereal box? Students create something from a cereal box (or other box) using other materials you have available. Be creative!</b></p>	<p><b>Listen to <u>If you Give a Mouse a Cookie</u>. While reading, list the goods and services that the mouse asks for.</b> <a href="#">Link to Read Aloud</a></p>
