I am forwarding the email from Kristin Blair about the trikes. See if this will be ok. They are from Lakeshore and I know that the district has ordered from them before.

Call me if you need me.

I tried to send you a link from Lakeshore on some trikes. I didn't know if it was the price or the place that was keeping us from ordering. These bikes hold the right size and weight of 5 and 6 year olds. They are a step up from the ones that we currently have. They are \$219. If the link didn't come they are at lakeshorelearning.com and it is called **Easy-Ride Jumbo Trike, SKU # LA155.** If you HAVE to order the trikes at play with a purpose, you will need to order the larger trike 4-8 age range, \$155, PS32-003.

The feedback about the bikes aren't comparable. The lakeshore bikes take "beatings" better, don't bow out, and don't break.

Call me if you have any more questions or want me to research some more. I will be out of town next week Mon - Wed but will have internet access if you need me to do anymore looking around.

Sorry about not getting your phone call the other day. My phone is acting up so much! I am getting a new one today. :->
