Dear Parent/Guardian,

The Advanced Academics- G/T program at our school seeks to find students Grades K - 12 who are highly academically advanced. Nominated students will be administered the Naglieri Nonverbal Ability Test in Phase I of the testing process. Students who score an ability index of 90 or higher will continue to Phase II of the process. **As part of COCISD's Advanced Academic Services, all second grade students will be screened for placement in the Gifted and Talented Program.** If you would like to nominate your child, please complete this letter and return it to your child's school by January 13, 2023. ***(Please note that nominations will not be accepted after January 13th.)***

In Phase II, a variety of criteria will be used to determine eligibility in the program, see the Advanced Academics Handbook for details.

Please contact your school counselor if you have any questions.

Thank you.
