Congratulations All Region Band Students!

*Picture from the All Region Clinic and Concert Dec. 10th at Tarkington ISD

Our students had the opportunity to audition for the Region 9 ATSSB All Region Band in December. This is a process that highlights individual excellence through practice and preparation. These students compete against every school in the entire region to earn a spot in the region band. All members selected then combine to rehearse and perform together.

Student Spotlight

Luc Butler

“I really love playing music. It’s what I want to do for my career.” -Luc

Luc Butler is a junior clarinet and oboe player at Coldspring-Oakhurst High School. He is a three-year member of the high school marching band, where he has been featured as a soloist in the UIL marching contest for multiple years. Luc has been selected to the Region 9 ATSSB All-Region band five times. Additionally, he earned a chair in the ATSSB All-State band his sophomore year (oboe), and advanced to the Area competition this year where he earned his second All-State selection (clarinet). Earning top ratings at the UIL solo and ensemble contest, he looks to repeat the trend of success this season as well. Upon graduating, Luc plans to attend college and major in music.

Born in Augusta, GA, Luc moved to Coldspring at the age of one. From day one of his student band career, performing with the Livingston Community Band was a must for him. “He’s a very talented musician with a bright future,” said Mr. Graves, his high school band director. Luc enjoys practicing and hanging out with friends.
