

## **TSIA-2 PAA Pre-Assessment Activity REQUIRED**

Students should be directed to <https://practice.accuplacer.org/login> to register for the Practice App and complete the PAA.

1. Log in. This is NOT the same login as AP CollegeBoard. If you do not have an account, click “Don’t have an account. Sign up.” *It may be a good idea to keep your login information in the notes on your phone.*
2. Be sure to use your legal first and last name, no nicknames.
3. Use a personal email address, NOT your COCISD email address.
4. Once you are logged into the Practice Ap, click the “Texas Success Initiative 2.0 Pre-Assessment Activity (TSIA-2 PAA)
5. Click the blue bar “Begin Pre-Assessment Activity” to proceed to Step 1.
6. You will need to select your institution; select Coldspring Oakhurst High School.
7. In Step 2, you will learn more about the importance of the test
8. Step 3 will be 10 sample questions for each test: ELAR and Math. You will need to complete both parts, even if you are only testing just one section. This is not graded.
9. Steps 4 & 5 will provide a brief overview of test options and more information.
10. After completion, you will see a screen that says, “Congratulations...”; Click the blue link to either download or print the certificate of completion. You will also be sent a copy of the certificate to the email address you used to create your account.
  - a. ***YOU MUST PROVIDE DOCUMENTATION THAT YOU COMPLETED THIS PAA BEFORE YOU TAKE THE TSIA-2.***
    - i. You may either email the certificate or provide a hard copy to CCMR Counselor, Kathryn Pedigo COHS Rm #307, [kpedigo@cocisd.org](mailto:kpedigo@cocisd.org) or your school counselor at LJH.
11. Sometimes colleges request for a copy of the PAA certificate as a part of the enrollment process, so be sure to keep up with this certificate. However, because you have created an Accuplacer account, you can log back into the account to retrieve the documentation you need.
