

# Campaign Guidelines

All campaign posters and speeches must have prior approval from Dr. Moore or Mrs. Patrick. Once your application is approved, you may begin your campaign. Elections will be held on October 21st. Officers will be announced at the end of the day.

- Hang positive, brightly-colored, short and to the point posters for your position in the hallways, cafeteria, and on the glass ONLY facing the courtyard. No posters may be hung in the front of the school or on the outside facing windows.
- Be creative and come up with a slogan that represents you and what you stand for.
- Pass out flyers in bright colored paper to your learning communities stating the values you stand firm on or what Lincoln Junior High means to you and how you will represent your school. Too many words is too much information. Be short, sweet, and to the point.
- Create buttons or ribbons for your peers to wear to campaign on your behalf.
- You may NOT hand out candy or treats at any time to any students for election purposes.

## NON-Acceptable Forms of Campaign Techniques for Student Council

- You may NOT make any statements about your opponents in a speech or on a poster/flyer.
- You may NOT take down another opponent's poster to hang up yours.
- There should not be misspelled words or inappropriate language on your posters or campaign tools.

~\*~Good luck, and have fun and learn from the process!~\*~
