Treasurer Report=

- Angela R doesn't have a bank total, waiting on bank statement, but thinks 174 for green screen is no problem.
- Pack the Places have brought in around 1k
- \$300 was given to Popcorn Fridays that will likely last through next December.
- Angela D's husband accidentally shredded the receipts for Pack the Place and so \$470 check will be cut to Michelle and a text notarized by the officers is being used in lieu of the receipts for accounting purposes mostly for two separate orders of pizza.

Pack the Place

- 2 events completed so far – meal and admission included. Girls basketball and boys basketball. Volleyball and Wrestling coming up.
- More volunteers are needed. Angela D's family is pulling a lot of the load.
- A second coordinator for next year might also be helpful. Selling tickets for four days over lunch is a lot to do for one person only.
- Parents are coming to the events but not volunteering. Sports parents seem to be volunteering for raising money for the sports teams and not wanting to help with PTO.
 - The sports teams gave some pushback on our planning a pack the place for local rivalries. It is only one event though per sport and the only big fundraiser for PTO so Principal Cooper is fine with it

Connie will send out action items and reminder of dates for Pack the Places and plea for volunteers
