Employee shall borrow from District the sum total of \$_____ to purchase computer hardware, educational software, or peripherals pursuant to the terms and conditions of the plan. Employee agrees to repay this amount in the following manner:

Employee agrees to pay \$_____ per month for _____ months in repayment of the above amount, to be deducted from the regular salary to be paid to the Employee by the District. Said deductions shall begin with the salary warrant payable on _____, and shall continue until the warrant payable on _____.

By signing this document, Employee directs the District to deduct from Employee's salary at the above amounts and acknowledges full responsibility for the repayment of the total amount loaned.

Employee agrees that if Employee's employment with the District is terminated, for any reason, Employee is liable for payment of the balance remaining at the date of termination. Upon Employee's termination, the total amount remaining unpaid shall be deducted from Employee's final paycheck. If Employee should owe a remaining amount greater than the amount of Employee's final paycheck, Employee shall be liable for payment of any balance remaining after deduction from his/her final paycheck, in one final lump sum payment.

Employee expressly agrees that his/her obligation to the District to repay the amount owed under this agreement is absolute and unconditional, without assertion of any right to set-off, defense, or counter-claim.

Employee acknowledges that the District has made no representation to the Employee regarding the advisability, appropriateness, or consequences of the purchase of the computer equipment pursuant to this agreement. Employee agrees the District has no liability whatsoever for any and all losses suffered by Employee with regard to his/her selection, purchase, and/or use of the Computer hardware, software, and/or peripherals.

Employee agrees to indemnify and hold harmless the District, its officers, employees, and agents, from any and all claims, liabilities, judgments, and/or damages, including costs and reasonable attorneys' fees, arising out of, or in any way connected to, Employee's purchase or use of the computer equipment, including, but not limited to, patent, copyright, and trade secret infringement.
