

**ADDENDUM No. 1 to BID No. 70**  
**(SPECIAL EDUCATION TRANSPORTATION)**

**Purpose:** In order to provide clarification related to the calculation of the bid bond amount as described in the RFQ, the 10% of the bid bond must be calculated on the basis of the entire 3 years.

Further, in calculating the face amount of the bid bond or cashier's check for the security amount, assume that the maximum number of trips per annual contract (i.e. number of IEP students \* number of annual one-way trips in a school year, including summer school) is a maximum of 60 IEP students \* 380 annual one-way trip ins a school year.
