

*'Be the best
you can be.'*

6th October 2023

Dear Parents / Carers,

Re: History Romans VR workshop – voluntary contribution

The History Department is excited to be holding an immersive, virtual reality, Romans workshop in school on **Tuesday 24th October**. This is a unique and memorable opportunity for our pupils to embark on a VR journey into Ancient Rome and explore the impact the Romans had on Britain, which coincides with their History lessons this term. Pupils will be given the chance to develop their knowledge in a unique way about features of Roman life in Britian, including the importance of Hadrian's Wall and the lasting influence the Romans have had on Britian.

We will be hosting this workshop in school on **Tuesday 24th October 2023** and as such are asking for a £5 voluntary contribution towards the cost. We ask that you use the My Child at School app to pay. If you have not yet activated your account, please contact the School Office. The deadline to pay is **Wednesday 18th October**.

Pupils in receipt of Pupil Premium can use their allowance towards a voluntary payment for the workshop, provided they have adequate funds. If you would like to use your Pupil Premium allowance for this, please send an email to the school office at Oakleyschool@stowevalley.com to let Maddie or Ruth know that you would like to use your allowance for this.

Thank you for your continued support, it is much appreciated.

Yours sincerely,

Mrs J Mali

(Head of History)
