ICHSAP AND DUAL ENROLLMENT FLOWCHART

Family expresses interest in home school options! →

Student is enrolled full-time in the ICCSD.

Student is new to the ICCSD.

Meet with the Guidance Counselor (secondary) or Principal (elementary) to discuss concerns. If other solutions have been considered and home schooling is a good option for the student, families are invited to move forward in pursuing home school options.

Family is invited to meet with an ICHSAP supervising teacher to discuss home school options including ICHSAP participation and dual enrollment in specific subjects through the ICCSD.

Family notifies ICHSAP staff of plan to home school through Independent Private Instruction (IPI).

Family decides to participate in the ICHSAP, or participate in the ICHSAP + Dual Enrollment.

Family decides to Dual Enroll Only (choosing either assessment participation or working with a licensed teacher).

The ICHSAP Secretary will collect forms and communicate enrollment changes and dual enrollment plans to the student's attendance area school.

Family completes Infinite Campus registration, the Form A and the Google ICHSAP Enrollment Form.

Family completes Infinite Campus registration and the Form A.
