Serving Orange, Osceola, Seminole, Brevard, Lake and Volusia Counties

Specific Services

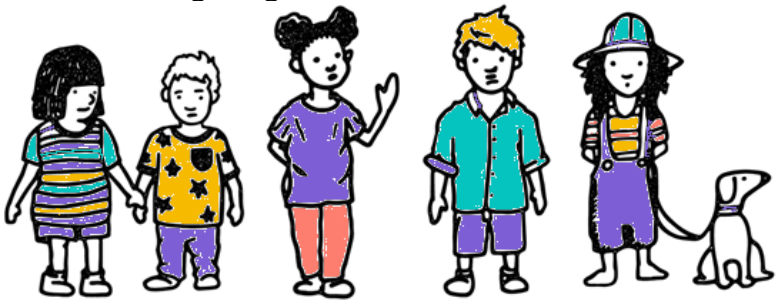

- **Mental Health and Behavioral Services** – We will provide children and their families with services in the office, as well as their natural environment (home, school, and/or community).
- **Assessment** – We will provide an overall assessment, which will focus on the child's development and current emotional/behavioral health.
- **Psychiatric** – We offer Psychiatric services such as a Psychiatric Evaluation and Medication Management, *if the client is receiving **regular therapy services** from one of our clinicians*.

Models Employed / Practices Utilized

We serve children ages 0-10 years old.

These are some of the most common treatment modalities:
