
KINDER
KONSULTING

Kinder Konsulting is a holistic practice that believes in treating the whole child, not just the symptom. We offer family support with issues ranging from day-to-day worries to complex psychological conditions.

Reasons why people contact us may include:

- Divorce and custody issues
- Childhood social issues
- School issues – academic & social
- Behavioral issues
- Attention-deficit and/or hyperactivity issues
- Adoption issues, including peer bonding and/or making friends
- Reunification of parent and child
- Developmental Delays – sensory and social/emotional
- Loss, trauma or abuse

Areas of Specialization:

- Assessments
- Bonding Assessments
- Environmental Observation
- Behavioral Analysis and Behavioral Therapy
- Psychotherapy and Counseling (Family Therapy, Individual Therapy, Play Therapy) – can all be done within the privacy of your own home
- Adoption Related Issues
- Psychiatric Evaluation and Medication Management
- Parenting Issues
- Classes for Parents
- Continuing Education for Clinicians

Our Kare Team comes to YOU!
