SIC

What is SIC?

SIC, or School Improvement Council, is an advisory committee to the school's principal and faculty. Basically, a group of parents and community members that come together to discuss the fundamental needs of our school and expand the opportunities for improvement.

How often do we meet?

The SIC meets once a month. Specifically, the first Friday of every month, at 9:00 am.

The group agrees to change the meeting time to 9:30 am

Nominations (to be completed no later than October 15)

To be in compliance, we should have twice as many elected members as appointed members.

-Mr. T will serve as the ex-officio.

-Mr. James Morrall will serve as our chairperson (*he was not able to attend meeting today, but he will receive the meeting minutes so he is the loop of everything discussed today*) and Mr. Clarence Daniel will be co-chair. The responsibility of the SIC chair is to lead the SIC meeting and work with the principal to develop the meeting agenda, and co-chair will lead meetings in his absence.

-Everyone is in agreement about our chairperson and co-chair, and have voted for parent and teacher representatives.

-Ms. Brianna Loomis, Mr. Joe Davis, Ms. Ciera Stephens, Ms. Victoria Bishop, Ms. Jocelyn Clemente, Ms. Alma Jimenez, and Raquel Cardenas will serve on the SIC. (parents)

-Ms. Melissa Rosen and Ms. Christy Smith-McCullough have been chosen by teachers as the SIC teacher representatives.

-Ms. Patricia Bee and Ms. Gale Nicholson will be our 2 appointed members.

GOALS

The SIC should also have goals.

Last year our biggest focus was trying to increase parent and community involvement.

We can start brainstorming about our goals and we discuss next meeting.
