ABOUT ATTENDANCE AREA SCHOOLS

Attendance area schools each have a unique learning environment that is defined by the characteristics of the communities that they serve. The local communities accent the learning opportunities at an attendance area school and play a significant role in school accomplishments.

The communities that an attendance area school serves are established through an attendance area. An attendance area is a geographic area surrounding the school. Attendance areas optimize enrollment at each attendance area school.

Families who live in District 279 are assigned to an attendance area school based upon their address, but may apply to attend a different attendance area school through a In-District Transfer Application.

TRANSPORTATION

When students are approved to attend a school outside of their assigned attendance area school, transportation is the responsibility of the parent/guardian.

Transportation is not a guarantee. Students in need of transportation in open enroll circumstances may be eligible for transportation services on a limited basis on the following:

1. If there is capacity on a bus within the attendance area of the school your student is attending. Capacity is determined first by in attendance area families first.
2. If capacity continues to be available throughout the school year.
3. If the family and student is willing to get to and from the bus stop. Open enrollment bus stops are usually blocks or miles from the students home.
4. The student must register and apply for bus services each school year via the transportation department.

Please note: Existing bus stops are located within each school's attendance area and are not guaranteed to be in a convenient location for your student. From time to time, enrollments change, bus routes change, and available seats on bus routes change.

Consider your options carefully if your student is dependent upon District transportation to attend school.

TO BEGIN THE APPLICATION PROCESS, PLEASE FOLLOW THESE STEPS:

- 1 Determine your Attendance Area School by using the **DISTRICT MAP** at www.district279.org, or by contacting the Enrollment Center at (763) 585-7350 or enrollmentcenter@district279.org. *If your address is "out of district," please apply through a Open Enrollment (non-resident) Application.*
- 2 Select the schools that you are interested in. **A list of the District 279 attendance area schools is included on the next page.** Choices will be considered in the order that they are listed on your application.

To attend a District 279 magnet school (Birch Grove School for the Arts, Weaver Lake Elementary: A Science, Math, and Technology School, Zanewood Elementary: A Science, Technology, Engineering, Arts and Mathematics School, Brooklyn Middle School - A Science Technology, Engineering, Arts and Mathematics School, and Park Center Senior High - An IB World School, Osseo Senior High -Health Science Program), please apply through **MAGNET SCHOOL CHOICE.**
- 3 Finally, complete the In-District Transfer Application attached to this packet. An application must be completed for each student who wishes to attend an alternate attendance area school. **To have the best chance of acceptance to your school(s) of choice, please submit your application to the Enrollment Center by JANUARY 15, 2024.**

APPROVAL GUIDELINES

In-District Transfer Applications are approved in order of priority on a space-available basis. A lottery (random selection) will be used if the number of applications exceeds the number of spaces available. Application priority is given in the following order:

1. Sibling - if the student's sibling already attends the requested school.
2. Childcare - if the student's childcare is in the attendance area of the requested elementary school.
3. Employee - if the student's biological parent/legal guardian is an employee of District 279.

Note: Priority **does not** guarantee that the student will be accepted to the requested school(s). **All first choice schools will be considered first, remaining spots will be filled by the second choice, and then lastly by the third choice.**

WAITING POOL

Applications not selected for approval will automatically be entered in a waiting pool for consideration as space becomes available. Applications in the waiting pool are selected in order of date received.
