SENIOR EARLY BIRD

Did your student sign up for PSAT testing?

For the upcoming PSAT testing all students who signed up will receive an email with all of the information. Testing will be held at 8:00 am at the Hall of Fame.

Here at Arroyo Valley we have over 50 clubs, including, Spanish Club, Calculus Club, Poetry Club, Academic Decathlon, and Key Club. If your student is interested in extracurricular activities, we've got plenty of options! Encourage your student to join us from 3:35 pm to 6:00 pm for our Vapa Fest to support our clubs. There will be food and other activities! Join us in the fun.

Free college courses

We offer free College level classes available for your student at no cost; no tuition or book fees. With these college level courses, your student can start gaining credits for college at an early start. There are over 30 courses offered with the majority being online. If your student is interesting in joining the first step is to register for the google classroom, The code is:

EX6EPDL

Why do we have academies?

Hear from our academy director Mr.Chronopoulos

"Our College and Career Academies at Arroyo Valley High School aim to prepare your child for a successful future, whether that's in college or in a fulfilling career. Utilizing state-of-the-art technology and dynamic teaching methods, we offer specialized courses and hands-on experiences that directly connect to real-world opportunities. Our program has strong relationships with local businesses and higher education institutions, giving your child unique learning experiences that can't be found in a traditional classroom. We're also committed to clearly explaining all educational rules and pathways, so you and your child can make informed decisions about their future. With our comprehensive approach, we're not just educating your child; we're setting them up for long-term success. For more information, go to our website <https://arroyovalleysbcusd.com/academies>."

OUR MISSION

Arroyo Valley High School believes that all our students can learn and achieve through innovative, dedicative teaching and develop a work-ethic through individual effort. Our vision is to provide an educational experience that prepares students to be competitive in the global economy of the 21st century.
