

WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998

As a requirement of the Women's Health and Cancer Rights Act of 1998, your plan provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses and complications resulting from a mastectomy, including lymphedema. The benefits must be provided and are subject to the health plan's regular copays, deductibles and coinsurance. Contact Blue Cross and Blue Shield of Kansas City at the phone number on the back of your ID card for additional benefit information.
