Dear Wausau School District Community:

We have an exciting update to share with you as it relates to restructuring the Wausau School District! Administration has received official direction from the Wausau School Board about how to proceed with rebranding the merged junior and senior high schools.

During last evening's Regular Board of Education meeting, Board members voted to name the schools:

- Wausau Junior High School
- Wausau Senior High School

In addition to that, Board members also voted to make the official colors of those schools blue and red with possible accents of white or gray to be determined by the site.

So, what about the mascot? Well, we're also excited to share with you that the Board has also given Administration official direction to move forward with getting community input about what the new mascot of those schools will be. Any final decision about a mascot will require School Board approval. Administration is thrilled to get to work on gathering your input!

As you can imagine, there is a lot of work happening behind the scenes to make sure this restructure is done well and goes smoothly. In fact, we're working closely with Greenheck, a well-known local company, right now on project planning and a project management system to help us guide and track the volume of work with this project. We're so grateful for their willingness to work with us as they're a wonderful partner to us and to our students!

This is just a quick update on where things are at with restructuring. So, please watch for more information in your email and on our website – wausauschools.org in the days and weeks ahead.

Thank you and remember, we're all better together!
