Dear Wausau School Staff and Parents/Guardians:

Right now, phone calls in to and out of the Wausau School District are not working. Our Technology Team is working to figure out why that is and what needs to be done to fix the issue. As soon as we have an update, we will reach back out to you.

If you need immediate assistance, please reach out by email. You can also email communications@wausauschools.org and we will get your message to the appropriate people.

Thank you,
Wausau School District Administration

It is the mission of the Wausau School District to advance student learning, achievement, and success.
