Dear Wausau School District Community:

Can you believe there are only 5 days until the first day of school!? As we all get ready for August 29, which will be here before we know it, Administration put together a brief video that highlights just a few things you should know. Click [here](#) to access it.

Our [Wausau School District website](#) is full of information. It's where you can access school supply lists, the free and reduced lunch application, and anything else you may need to get your student ready for their first day of school. As always, you can reach out to your child's principal or call the Longfellow Administration Center at 715-261-0500 with any questions you have.

As we said in the video, we can't wait to see students back on August 29!

Thank you and enjoy the rest of your summer!
