Dr. Keith W. Hiltz, Superintendent of Schools

September 1, 2023

Dear Wausau School District Community:

We hope you and your students had a great first week of school! It's absolutely wonderful having our buildings full again! To say we missed them this summer is an understatement.

As you enjoy the long holiday weekend, we want you to know that we're watching the forecast and are preparing for the hot weather we're expected to have for part of next week.

While most of our schools have air conditioning, there are some that do not. If your student attends classes in one of those buildings, please know we are going to do everything we can to ensure their safety, as well as that of our staff. First and foremost, we will ensure they have access to plenty of water. In addition, our custodial staff will ventilate those buildings without air conditioning and provide as much fresh air as possible. There will also be fans running to keep the buildings as cool as possible.

If your student rides the bus to and from school, just a reminder that the buses do not have air conditioning. While First Student's buses will continue to transport students to and from school, you always have the option to drop them off or pick them up yourself if you prefer.

As we prepare for that hot weather, please know you can reach out to your child's principal, or any other members of the district's administration, with any questions or concerns. We're always happy to help in any way we can!

Thank you,
Wausau School District Administration

It is the mission of the Wausau School District to advance student learning, achievement, and success.
