Dear Wausau School Staff and Parents/Guardians:

The Wausau School District is still not able to receive or make any phone calls. However, our Technology Team has identified the issue. The company we use for our phone service performed some maintenance last night and there was a failure. Technicians will be arriving shortly to fix the issue.

Again, if you need immediate assistance, please email communications@wausauschools.org until the issue is fixed. We will let you know when that happens.

Thank you,
Wausau School District Administration

It is the mission of the Wausau School District to advance student learning, achievement, and success.
