August 3, 2023

Dear Wausau School Parents/Guardians!

It's hard to believe, but we're just a few weeks away from the first day of school, which is August 29! Over the course of the next couple of weeks, our amazing district staff members will be returning to their classrooms/schools. As we get ready to celebrate their return later this month, we're wondering if you would help us!

Between now and Monday, August 14, we are asking you to share a story where a staff member(s) truly made a difference in the lives of your student(s). Maybe it was a moment where they went above and beyond, maybe it was a simple act of kindness -- or maybe it was an unforgettable lesson that your student talks about all the time. The reason we're asking you to submit your stories is because we're putting together a video as part of a 'welcome back celebration' that we will share with them. If you don't have a story, but would like to share a message with them for the new school year ahead, you can certainly do that, too. We just ask that you please avoid using specific staff names, if possible. If you would like us to use your student(s)'s first name only and building name, please indicate that in your message.

This video is intended to be shared internally only.

To share your stories, click [here](#). If you prefer to send a video message, we welcome those as well, just email them to communications@wausauschools.org.

Thank you for taking the time to help us welcome our staff members back for an exciting 2023-2024 school year ahead!

Wausau School District Administration

It is the mission of the Wausau School District to advance student learning, achievement, and success.
