Dear Wausau School District Community:

The results of the second mascot survey are in! THANK YOU so much for taking the time to submit your feedback – we had more than 2,500 responses!

Here are the mascot ideas that received 150 votes or more, in no particular order:

Raptors	Gladiators	Wolverines	War Hawks
Wolves	Granite Crushers	Woodsmen	Wolfpack
Titans	Loggers	Mountaineers	Patriots
Wildcats			

So, what's next? We will be reaching out to our focus groups so that they can come together to talk about your top ideas and identify which ones will move on to the next round. Warjacks will also go before the focus groups as a potential mascot for our newly merged junior and senior high schools.

The plan is to bring the focus groups together in October. We're finalizing details on that right now. Once they have an opportunity to meet, we will take the results of this second survey, along with the feedback from the focus groups, to the School Board for discussion and consideration in November. Following that, we will launch a third community-wide survey to help inform the School Board's decision.

As always, thank you for your partnership and feedback – we do appreciate it!

Thank you,
Wausau School District Administration
